Re: Butch Cassidy Race 2024

Dear Vicki,

The Butch Cassidy Race has been a tradition in Zion Canyon for 41 years! It is a 10k and 5k race which is limited to 450 runners. The race begins on SR-9 in Springdale and continues south down SR-9 into Rockville. The race route then turns onto Bridge Rd in Rockville, and continues to the finish line at the historic Ghost Town of Grafton, UT. The course features beautiful scenery with the backdrop of Zion National Park. The race is scheduled for November 9, 2024.

The race has very little impact on the course and environment it passes through. Water, first aid, portable toilets and garbage receptacles are placed throughout the course route. Booths located near the finish line in Grafton will provide runners and spectators with food, water and beverages. A booth featuring games and entertainment will also be located near the finish line. A live band will be performing throughout the morning for the crowd's entertainment.

Law enforcement and traffic control will be provided by the Springdale Police Department. The Hurricane Fire District has been notified of the race details for on-call purposes. A parking plan will include no parking at the finish line in Grafton - parking at start will be on a first come, first serve basis at the LDS church in Springdale and on SR-9 in front of the Church. Springdale Town has purchased the on-street parking in front of the Church for the race participants to park for free.

Set up for the race will begin at noon on Friday, November 8th, and the remainder of the set up will continue at 7:00 am on Saturday, November 9th. Most of the structures and booths will be removed the afternoon after the race. Any remaining shade structures will be removed no later than Monday, November 11th, 2024.

Sincerely,

Robyn Sanders

Chair, Butch Cassidy Race Committee
