**NOTICE OF REQUEST FOR PROPOSALS FOR
CONSTRUCTION MANAGER / GENERAL CONTRACTOR (CM/GC) SERVICES**

Proposals from CM/GC firms for the completion of the

TOOELE CITY SALT SHED PROJECT

will be received by the owner at:

**RECORDERS OFFICE - ROOM 227
TOOELE CITY HALL
90 NORTH MAIN
TOOELE, UTAH 84074**

At prevailing local time until **Monday, September 30, 2024 at 3:00 PM MST**. The right is reserved by Tooele City to reject any or all proposals.

Tooele City Public Works Department is seeking proposals for Construction Management and General Contractor (CM/GC) services for the construction of a Salt Shed facility in Tooele City. The proposed salt shed site will include a 60-foot by 60-foot prefabricated metal building with concrete foundation and concrete apron. Site improvements will also include a 20-foot access road, electrical for site lighting, electric gates and service for block heaters for four trucks. Project specifics and details are subject to change. This project aims to enhance the city's infrastructure and improve storage capabilities for road salt, ensuring efficient winter maintenance operations.

RFP documents will be posted by Tooele City. Please contact Laura at laurab@tooelecity.org for an electronic copy of the RFP documents.

No printed copies will be provided. The costs to prepare RFPs as described in the Procurement Documents are the sole responsibility of the Bidder. For questions contact **Lizel Allen**, J-U-B Engineers: 385-226-8334, lallen@jub.com.

The last day for questions shall be **Tuesday, September 24, 2024**. All questions will be answered via addendum. Only those who have their name on the plan holders list will receive addenda.
