

City Council Staff Report

Date:

September 18, 2024

**Prepared By: Logan Miner,
Parks and Recreation Director**

Public Hearing: N/A

**Attachments:
Resolution
Proposal**

REQUEST

Resolution authorizing the Parks and Recreation Department to purchase and install new security cameras within facilities and parks.

BACKGROUND & DESCRIPTION

In recent years, Mapleton City has experienced several instances of vandalism in our parks and facilities resulting in damage and creating safety concerns for the public. Additionally, our Towne Square, which houses important historic artifacts, is vulnerable to potential damage or theft. These incidents have highlighted the need for increased security across our public spaces.

Currently, the City does not have adequate surveillance in place to deter or monitor these activities. With the recent addition of MCN, we are able to have a reliable and secure internet at each public facility and park.

To address these issues, we propose installation of security cameras in key locations. This will help secure and protect our public spaces from potential vandalism. The cameras would provide 24/7 monitoring and serve as both a deterrent to potential vandalism and a tool for investigating any future incidents.

This camera system will be installed and maintained under our current IT service agreement, ensuring seamless integration into the city's existing infrastructure. Monitoring will also be handled by our IT and Mapleton City staff.

RECOMMENDATION

Staff recommends approving the resolution authorizing the Parks and Recreation Department to purchase and install new security cameras within facilities and parks in the amount of \$53,000.

RESOLUTION NO. 2024-

CONSIDERATION OF A RESOLUTION AUTHORIZING THE PURCHASE AND INSTALLATION OF SECURITY CAMERAS IN CITY FACILITIES AND PARKS.

WHEREAS, Mapleton City is committed to maintaining the safety and security of its public facilities, parks, and historic assets; and

WHEREAS, the City has experienced ongoing incidents of vandalism in its parks, resulting in property damage and increased safety concerns; and

WHEREAS, the Towne Square, which houses valuable historic artifacts, is also in need of protection from potential theft or damage; and

WHEREAS, the installation of security cameras would provide 24/7 monitoring, serving as a deterrent to vandalism and enabling better investigation of incidents; and

WHEREAS, these security cameras will be installed and monitored under the City's current IT service agreement, ensuring integration with existing infrastructure and proper oversight;

NOW THEREFORE, BE IT RESOLVED by the City Council of Mapleton, Utah, to authorize the purchase and installation of security cameras in City facilities and parks in the amount of \$53,000

PASSED AND ORDERED PUBLISHED BY THE CITY COUNCIL OF MAPLETON, UTAH, This 18th, Day of September 2024.

Dallas Hakes, Mayor
