Helper: Saturday Vibes this Saturday. Aug. 2 Castle Gate Cemetery Fundraiser on First Friday. Focused on raising funds for the cemetery efforts. Vibes again Aug. 10 & 24. Aug 15 kick off to the 30th anniversary of the Helper Arts, Music, and Film Festival. Price City Culture Connection, Gallery stroll. Last year they gave away \$500 to purchase art and this year hoping to do \$1000. Helper film event working with Brian Higgins with small Big John trophies. Super busy summer

Price: International Days July 25-27. Sold out on vendors. 2 days of music in the park, as well as the regular stuff. Layne met with Aubrie to talk about the Culture Connection event on July 4th and asked if they could move it to the event center and do it with the fireworks. So Price hired 2 bands. Layne estimates that they started with 300 but about half way through the second band, he believes there were 600. Hoping to team up and do it again next year. Haven't received formal approval. Tim asks if they are seeing a good turnout after moving it to the park and Layne says, absolutely. Numbers have grown. The bands love the park and the shade. It's been a good move.

Wellington: Not present

East Carbon: Not present

4. CERC Update.....Aubrey Kirkwood, Director

CERC: Aubrey reported that the 4th of July event was great and she was excited to talk to Layne to see if they can continue this going forward. I think that if they continue that, it will grow even bigger and maybe have some food truck options.

Next big event is this weekend, the MMA Fights. Partners with Fierce MMA and it's always a big event. They are helping out with International Days with a corn hole tournament and 5k. Also doing a 5k for Greek Festival and Pleasant Valley Days. She said it was a great turnout and this was the biggest one since she can remember and attributes it to the cute shirts.

Casey said that he believed it was the biggest year that he can remember and he's been doing it for years. Aubrey thought there were maybe 150 that registered for the run.

After International Days they will move into their fall stuff. Sporting camps. Had the D1 Prospects Softball Tournament and mother nature had a different plan. The local group will be running the one that is coming up. Layne asked how the Bouldering Camp was going? Aubrey said it's going very well and kids are signing up for multiple weeks. They provided everything. CERC provided transportation. It's \$25 a week for 4 days from 9 am to 2 pm. They would love to continue it.

Shanny asked where the cornhole tournament will be, Aubrey said at the park.

Layne then reported that PD the Dog and Blue Jay the dog were both nominated for the citizens of the year so they decided to make the owners who took the dogs in and have cared for them citizens of the year with the dogs being honorary. Auto Farm is going to bring out their train for them.

Casey wondered if we should invite Scofield to come and talk about what is going on with Pleasant Valley Days next year and to include them. IN a town of 28, it swelled to thousands of people. People were saving spots for the parade the night before. Tim said we should reach out to East Carbon and Wellington too even though they are invited to the meetings but see if they will come and talk about their events. Great firework show as well.

Daniel didn't come so we'll move to next month's agenda.

6. Recommendation for final payment Ascending Harvest LLC.... Barbie Haeck, Chair

Barbie asked the board if everyone had the chance to review the additional documents sent over for the final report from the art grant Ascending Harvest. Shanny tried bringing it up on the drive but wasn't able to. Everyone should have been reviewed before the meeting. Barbie added he got everything that we needed.

Barbie said there would be a ribbon cutting for that art piece on July 26th at the museum at noon. Barbie asked if everyone reviewed Tina's email and did they have a motion to approve the final payment? Outstanding is \$2500.00. Motion to send the final payment made by Scottie, Seconded by Tim. All in favor. Motion carries.

7. Other items for discussion.....Barbie Haeck, Chair

Lenise: USDA is coming with some employees Aug 7 & 8 for a work clinic/retreat. Said they will be at the auditorium and staying in hotels in Price.
