All intellectual property rights (including, without limitation, copyrights and trade secrets) to the work product of CONSULTANT, whether developed by CONSULTANT before or in the course of providing the services ("the CONSULTANT'S Work"), will belong exclusively to the CONSULTANT, provided that such intellectual property rights of the CONSULTANT will not extend to any portion of the LOCAL AUTHORITY'S Work which is incorporated into the CONSULTANT'S Work. The LOCAL AUTHORITY will retain ownership of any information specific to its employees or operations contained in the CONSULTANT'S Work, any LOCAL AUTHORITY confidential information that is incorporated into the CONSULTANT'S Work, and any conclusions or recommendations therein that are specific to the LOCAL AUTHORITY and not of general utility. Except as otherwise provided in this Section, all Deliverables produced by the CONSULTANT and covered by this Contract will be owned by the LOCAL AUTHORITY. To the extent that any of the CONSULTANT'S intellectual property is embedded in Deliverables provided to the LOCAL AUTHORITY under this Contract, the CONSULTANT hereby grants to LOCAL AUTHORITY a non-exclusive, irrevocable, perpetual, and royalty-free license to use such intellectual property for business purposes to the extent necessary to permit the LOCAL AUTHORITY to utilize the CONSULTANT'S Work under this Contract. The CONSULTANT may secure through patents or trademarks, the right, title, or interest throughout the world of any invention that may be created or developed under this contract, as provided in 37 C.F.R. 401.14, except for Section 401.14(g). The LOCAL AUTHORITY will be entitled to the same rights granted to the Federal Government under 37 C.F.R. 401.14 and adopts that regulation for that purpose. The CONSULTANT will retain all rights provided for the LOCAL AUTHORITY in this clause, and the LOCAL AUTHORITY will not, as part of the consideration for awarding this contract, obtain rights in the CONSULTANT'S subject inventions. The LOCAL AUTHORITY will be granted a non-exclusive, irrevocable, royalty-free license to use, practice, employ, or have practiced for or on behalf of the LOCAL AUTHORITY the subject invention throughout the world. These license provisions will be considered one of the deliverables due under this contract. When federal transportation funds make up all or part of the remuneration under this contract (as documented elsewhere in these Special Provisions), the United States Department of Transportation must also be named as a grantee, along with the LOCAL AUTHORITY, in the license provisions described above.

The CONSULTANT may secure copyrights on information, designs, analyses, processes, reports, and the intellectual innovations that may be created or developed under this contract, subject to the provisions of this contract, including the provisions of the "Publication or Use of Work Product Outside of This

Neither the LOCAL AUTHORITY nor the DEPARTMENT will be obligated to obtain the services of the CONSULTANT to perform these additional developments or enhancements. Any reuse, misuse, or use of modified or incomplete deliverables will be at the sole risk of the LOCAL AUTHORITY or the DEPARTMENT or the third party in possession of CONSULTANT'S deliverable and the CONSULTANT makes no representation to any third party with respect to any good or service performed under this contract and will not be liable for any reuse, misuse, or use of modified or incomplete deliverables under any theory of recovery.

PUBLICATION OR USE OF WORK PRODUCT OUTSIDE OF THIS CONTRACT:** During the entire term of this contract the CONSULTANT must not issue, offer, publish, or submit for publication any document, report, paper, technical notes, documentation, specification, graphic, or other media products produced in connection with the work of this contract without first submitting the Deliverables required by this contract to the LOCAL AUTHORITY and the DEPARTMENT for their review, and notifying the LOCAL AUTHORITY and the DEPARTMENT of the intent to publish.

In the event CONSULTANT wishes to publish research results prior to the submission of contract deliverables, CONSULTANT must first provide to LOCAL AUTHORITY and the DEPARTMENT written notice of CONSULTANT'S intent to publish and a draft of such publication. Unless waived by the LOCAL AUTHORITY and the DEPARTMENT, the LOCAL AUTHORITY and the DEPARTMENT will have thirty (30) days after receipt of the draft publication to request in writing the removal of portions deemed by LOCAL AUTHORITY or the DEPARTMENT to contain confidential or patentable material owned by the LOCAL AUTHORITY or THE DEPARTMENT, or to request a delay in submission of the draft for publication pending CONSULTANT'S submission of overdue contract deliverables or LOCAL AUTHORITY's or the DEPARTMENT's application for patent protection. If CONSULTANT does not receive the LOCAL AUTHORITY's or the DEPARTMENT's written response to the notice of intent to publish within the thirty (30) day period, then the LOCAL AUTHORITY or the DEPARTMENT will be deemed to have consented to such publication. If DEPARTMENT requests a delay in submission of publication for patent protection, CONSULTANT will have no obligation to delay publication for longer than three (3) months following delivery of CONSULTANT'S notice of intent to publish. If the LOCAL AUTHORITY or the DEPARTMENT requests a delay in submission of publication due to overdue deliverables, submission of publication by the CONSULTANT prior to completing those contract deliverables will be grounds for termination of this contract. Student reports, theses, and dissertations, published internally by the CONSULTANT will not be subject to these delay provisions.

If this contract is terminated by the LOCAL AUTHORITY or the DEPARTMENT, the CONSULTANT agrees to the publication restrictions stated above for a period of six (6) months following the date of termination.

Information supplied by LOCAL AUTHORITY or the DEPARTMENT to CONSULTANT and identified by the LOCAL AUTHORITY or the DEPARTMENT as proprietary, confidential, protected or security-sensitive information must not be included in any material published by CONSULTANT without prior written consent of the LOCAL AUTHORITY or the DEPARTMENT.

The restrictions and procedures described in this provision will apply to the release of any information or documents to the media. The CONSULTANT must inform the UDOT point of contact of all media inquiries.

**24. PUBLIC INFORMATION:** CONSULTANT agrees that this Contract, related purchase orders, related pricing documents, and invoices will be public documents and may be available for public and private distribution in accordance with the State of Utah's Government Records Access and Management Act (GRAMA). CONSULTANT gives the DEPARTMENT, the LOCAL AUTHORITY, and the State of Utah express permission to make copies of this Contract, related sales orders, related pricing documents, under section 63G-2-309 and expressly approved by DEPARTMENT, CONSULTANT also agrees that the CONSULTANT'S solicitation responses will be public records, and copies may be given to the public as permitted under GRAMA. Requests from the media or other members of the public for records that have not already been issued, published, or submitted for publication must be addressed in accordance with the GRAMA, Utah Code Title 63G, Chapter 2.

CONSULTANT agrees to cooperate and assist the LOCAL AUTHORITY and the DEPARTMENT to respond to requests it receives pursuant to the GRAMA by searching for and producing records belonging to LOCAL AUTHORITY or the DEPARTMENT in a timely manner and consistent with the requirements of the GRAMA.

**25. USE OF PATENTED, COPYRIGHTED OR TRADEMARKED ITEMS:** The CONSULTANT will be fully responsible for the legal use and the related payment of any royalties or fees for any materials, products, devices, processes, computer elements, designs, specifications, publications, graphics, visual media, etc., that are protected by patents, copyrights or trademarks, or that are owned by third parties to this contract, in conjunction with CONSULTANT's execution of its work in this contract. In the event that any of the above items are to be incorporated into the deliverables or products which will be provided to the LOCAL AUTHORITY or the DEPARTMENT as a result of the work of this contract, whether owned by the CONSULTANT before entering into this contract or not, such use must be specifically authorized in this contract or by prior written approval from the LOCAL AUTHORITY or the DEPARTMENT. When the LOCAL AUTHORITY or DEPARTMENT provides such authorization, the CONSULTANT will secure the rights of use of these patented, copyrighted or trademarked items for the LOCAL AUTHORITY or the DEPARTMENT, at the LOCAL AUTHORITY's or DEPARTMENT's expense. An original executed copy of the right-to-use agreement will be delivered to and approved by the LOCAL AUTHORITY and the DEPARTMENT before commencing use of these item(s). The CONSULTANT will be responsible for paying all royalties and fees for said use during the entire term of this contract. To the extent that these royalties and fees are incurred exclusively and specifically for this contract and are shown in Attachment C of this contract, these costs are allowable expenses to the contract. The CONSULTANT must indemnify, save harmless and release the LOCAL AUTHORITY and the DEPARTMENT from claims of DEPARTMENT's or LOCAL AUTHORITY's direct, non-willful patent, copyright or trademark infringement, or for directly-resulting costs, expenses, penalties and damages that may be obligated by reason of a direct, non-willful infringement by DEPARTMENT or LOCAL AUTHORITY resulting from the work performed, services rendered or deliverables furnished under this contract which are caused by the negligence of the CONSULTANT. When Federal funds make up all or part of the remuneration under this contract, the United States Department of Transportation must be named along with the LOCAL AUTHORITY and the DEPARTMENT in all legal agreements covering use of patented, copyrighted or trademarked items.

**26. CONFIDENTIALITY:** If, in order to perform the work under this contract, the CONSULTANT is given access to confidential, protected, security-sensitive or proprietary business, technical or financial information regarding persons, materials, products, devices, processes, plans, designs, computer

elements, analyses, data, etc., the CONSULTANT agrees to treat such information as confidential and must not appropriate such information to its own use or disclose it to third parties at any time, neither during the term of this contract nor after contract termination, without specific written authorization by the LOCAL AUTHORITY and the DEPARTMENT to do so unless, except to the extent such disclosure is required by law, rule, regulation, court order, government investigation or whistleblower subpoena. The LOCAL AUTHORITY or DEPARTMENT will clearly identify those items as confidential at the time they are transmitted or disclosed to the CONSULTANT and they may be listed in Attachment C of this contract if known at the time of contract execution. The CONSULTANT must require adherence by its officers, volunteers, employees and subcontractors to these confidentiality provisions.

The foregoing obligations will not apply if the said confidential, security-sensitive or proprietary information:

- (b) Is published or otherwise becomes part of the public domain after receipt by and through no fault of the CONSULTANT;

- (d) Was or is later received by the CONSULTANT from a third party other than an agency of the State of Utah, which did not require the CONSULTANT to hold such information in confidence.

**27. ASSIGNMENT AND SUBCONTRACTING:** The CONSULTANT must not subcontract any of the work required by this contract, or assign monies to be paid to the CONSULTANT hereunder, without the prior written approval of the LOCAL AUTHORITY or the DEPARTMENT. The amount billed to the LOCAL AUTHORITY and the DEPARTMENT for subconsultant costs will be the same amount the CONSULTANT actually pays the subconsultant for services required by this contract. All payments made by the CONSULTANT to the subconsultant for services required by this contract will be subject to audit by the LOCAL AUTHORITY or the DEPARTMENT. All subcontracts must be in writing and include all the same terms and conditions and provisions included in this contract. DISPUTES:** Claims for services, materials, or damages not clearly authorized by the contract, or not ordered by the LOCAL AUTHORITY and the DEPARTMENT by prior written authorization, will not be paid. The CONSULTANT must notify the LOCAL AUTHORITY and the DEPARTMENT in writing, and wait for written approval, before it begins work not previously authorized. If such notification and approval is not given or the claim is not properly documented, the CONSULTANT will not be paid the extra compensation. Proper documentation alone will not prove the validity of the claim. The parties agree to use arbitration or mediation, as mutually agreed by the parties, after exhausting applicable administrative reviews to resolve disputes arising out of this contract where the sole relief sought is monetary damages \$100,000 or less, exclusive of interest and costs.

**30. CLAIMS - DELAYS AND EXTENSIONS:** The CONSULTANT agrees to proceed with the work previously authorized by the contract, or in writing, continually and diligently, and will make no charges or claims for extra compensation for delays or hindrances to the extent such delays or hindrances were caused by CONSULTANT. The LOCAL AUTHORITY and the DEPARTMENT may allow an extension of time for the contract, for a reasonable period as agreed by the parties, should a delay or hindrance occur. The LOCAL AUTHORITY or the DEPARTMENT will not waive any of its rights under the contract by permitting the CONSULTANT to proceed with the contract after the established completion date. The CONSULTANT will not be responsible for delays due to causes beyond CONSULTANT's reasonable control.

31. **CONSULTANT'S ENDORSEMENT ON PLANS, ETC.:** The CONSULTANT (if a firm, the responsible principal) is required to endorse and appropriately apply its seal to plans, reports, and engineering data furnished to the LOCAL AUTHORITY and the DEPARTMENT under this contract.

32. **CONTRACT MODIFICATIONS:** This contract may be amended, modified, or supplemented, as it is mutually agreed to by the parties by written contract modification, executed by the parties hereto and attached to the original signed contract.

Claims for services furnished by CONSULTANT, not specifically authorized by this contract or by appropriate modification, will not be paid by the LOCAL AUTHORITY or the DEPARTMENT. When a contract modification has been agreed to by the parties no claim for the extra work done or material furnished must be made by the CONSULTANT until the written modification has been fully executed. Any verbal agreements not confirmed in writing are non-binding.

33. **TERMINATION:** This contract may be terminated as follows:

- (a) By mutual agreement of the parties; in writing and signed by the parties.
- (b) By any party for failure of another party to fulfill its obligations, as set forth with the provisions of this contract and in particular with Attachment C, "Services Provided by the CONSULTANT" or Section 52, "Duties of the LOCAL AUTHORITY and the DEPARTMENT". - (c) By the DEPARTMENT for the convenience of the State upon written notice to the CONSULTANT.
- (d) By the LOCAL AUTHORITY or the DEPARTMENT, if the LOCAL AUTHORITY or the DEPARTMENT determines that the performance of the CONSULTANT is not satisfactory, the DEPARTMENT may notify the CONSULTANT of the deficiency with the requirement that the deficiency be corrected within a specified time; but not less than 10 days. Otherwise the contract will be terminated at the end of such time.
- (e) By the LOCAL AUTHORITY or the DEPARTMENT, if the LOCAL AUTHORITY or the DEPARTMENT requires termination of the contract for reasons other than unsatisfactory performance of the CONSULTANT, the DEPARTMENT will notify the CONSULTANT of such termination, with instructions as to the effective date of work stoppage or specify the stage of work at which the contract is to be terminated.
- (f) If the contract is terminated before performance is completed, the CONSULTANT will be paid for the work satisfactorily performed up through the date of termination. Payment is to be on the basis of substantiated costs, not to exceed an amount which is the same percentage of the contract price as the amount of work satisfactorily completed is a percentage of the total work called for by the contract.
- (g) The LOCAL AUTHORITY and the DEPARTMENT reserve the right to cancel and terminate this contract in the event the CONSULTANT or any employee or agent of the CONSULTANT is convicted for any crime arising out of or in conjunction with any work being performed by the CONSULTANT for or on behalf of the LOCAL AUTHORITY or the DEPARTMENT, without penalty. It is understood and agreed that in the event of such termination, all data acquired and work product produced under this contract will be turned over to the LOCAL AUTHORITY and the DEPARTMENT within seven (7) calendar days. - (h) Upon satisfactory completion of required contract services.

- (i) On termination of this contract all accounts and payments will be processed in accordance with contract terms. An appraisal of the value of work performed to the date of termination must be made to establish the amount due to or from the CONSULTANT. If the contract fee type is Cost-Plus-Fixed-Fee-With-Fixed-Total-Additive-Rate and the contract is terminated for reasons other than paragraph 33(h), the final fixed fee amount will be paid in proportion to the percentage of work completed as reflected by the periodic invoices as of the date of termination of the contract. Upon determining the final amount due the CONSULTANT, or to be reimbursed by the CONSULTANT, in the manner stated above, the final payment will be processed in order to close out the contract.

34. **REMEDIES:** Any of the following events will constitute cause for the DEPARTMENT or LOCAL AUTHORITY to declare CONSULTANT in default of this Contract: (i) CONSULTANT'S non-performance of its contractual requirements and obligations under this Contract; or (ii) CONSULTANT'S material breach of any term or condition of this Contract. The DEPARTMENT may issue a written notice of default providing a ten (10) day period in which CONSULTANT will have an opportunity to cure. Time allowed for cure will not diminish or eliminate CONSULTANT'S liability for damages. If the default remains after CONSULTANT has been provided the opportunity to cure, the DEPARTMENT may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) terminate this Contract; (iii) impose liquidated damages, if liquidated damages are listed in this Contract; (iv) debar/suspend CONSULTANT from receiving future contracts from the DEPARTMENT or the State of Utah; or (v) demand a full refund of any payment that the DEPARTMENT has made to CONSULTANT under this Contract for Services that do not conform to this Contract.

### 38. REQUIREMENTS FOR COMPUTER ELEMENTS:

Hardware, firmware and/or software elements that the CONSULTANT procures, furnishes, licenses, sells, integrates, creates and/or enhances for the LOCAL AUTHORITY and the DEPARTMENT under this contract must achieve the specific objectives specified in the work plan. These elements must be free of defects, or "bugs," that would prevent them from achieving the objectives specified in the Work Plan in ATTACHMENT C: SERVICES PROVIDED BY THE CONSULTANT of this contract.

Computer software and applications created and/or enhanced under this contract will include as deliverables; user instructions, program documentation, program listings, source code and executables in specified compiled formatted files. The program documentation must include flow charts and detailed treatment of decision algorithms and their technical basis. Appropriate LOCAL AUTHORITY individuals will review "user instructions" and "program documentation" for acceptability. Formal sign-offs will record such events and be part of the project repository. Software development and operating system platforms must be approved by the LOCAL AUTHORITY and the DEPARTMENT and specified in the work plan. Changes to these platforms may only be allowed by written authorization by the LOCAL AUTHORITY and the DEPARTMENT.

### 39. COST PRINCIPLES:

Regardless of the funding source, the costs allowable for reimbursement will be governed by the 2 C.F.R. Part 200 Subpart E and 48 C.F.R. Part 31 Federal Acquisition Regulations (FAR) in compliance with 23 U.S.C. § 112(b)(2)(B), as modified by Utah State law, administrative rules, and regulations on contract provisions.

### 40. CORONAVIRUS PANDEMIC RECOVERY:

This section applies only if: (i) this Contract, or a subcontract, is a cost-plus-fixed-fee contract; (ii) the CONSULTANT (or the subconsultant with that subcontract)

received a loan under the federal Paycheck Protection Program or similarly, received a credit, loan or other relief in 2020, or thereafter, from a federal program enacted to provide relief during the Coronavirus pandemic, such as the CARES Act, the FFCRA, or other similar federal legislation (collectively a "PPP Loan"); and (iii) any portion of the PPP Loan was forgiven, or applicable law similarly requires the recipient to provide a refund, repayment, credit, or reimbursement to the DEPARTMENT. If this section applies, the CONSULTANT, for itself and its subconsultants, must comply with this section to provide for a PPP Loan recovery in compliance with 48 C.F.R. 31.201-5, Utah Code § 72-2-113(3), and other applicable law and guidance. Those legal obligations require calculation of a PPP Loan credit which must be included in the Indirect Cost Rate (referred to in this section as an "Impacted Rate"). Under this Contract, an accepted Impacted Rate will apply during the CONSULTANT's (or subconsultant's) "Recovery Period," which is the shorter of the following time periods: (i) the time period necessary to recover the required credit amount of the CONSULTANT's (or the subconsultant's) forgiven PPP Loan (or other repayment obligation); or (ii) 365 days after the date when the DEPARTMENT approved the CONSULTANT's (or the subconsultant's) Impacted Rate.

This Contract is written to include the CONSULTANT's "Unimpacted Rate" (which is the CONSULTANT's accepted rate without the PPP Loan credit). The CONSULTANT has also included subconsultant costs on that basis. But notwithstanding those or any other provisions of this Contract to the contrary, the CONSULTANT agrees as follows: (i) During the CONSULTANT's Recovery Period, each of its invoices will provide to the DEPARTMENT a "Recovery Credit," which is an amount that is equal to the difference between the CONSULTANT's overhead and fixed fee calculated at the Unimpacted Rate, and the CONSULTANT's overhead and fixed fee calculated at the Impacted Rate. The CONSULTANT will show its Recovery Credit, as calculated, using the [UDOT OH & FF Credit Adjustment Template](#) document, and the CONSULTANT will include the template and calculation as part of its support documentation for each invoice. (ii) During a subconsultant's Recovery Period, the CONSULTANT's costs charged for a subconsultant will include the Recovery Credit for that subconsultant. The CONSULTANT will require the subconsultant to show its Recovery Credit, as calculated, using the [UDOT OH & FF Credit Adjustment Template](#) document, and the CONSULTANT will include the subconsultant's template and calculation as part of the CONSULTANT's support documentation for each invoice.

When the CONSULTANT or any subconsultant reaches the end of its Recovery Period, the CONSULTANT must submit a notification to the DEPARTMENT Project Manager stating the date that is claimed for when recovery was complete ("Recovery Date"). If the Recovery Date claimed by the CONSULTANT or the subconsultant is less than 365 days after the date when the DEPARTMENT approved the CONSULTANT's or subconsultant's Impacted Rate, then the notification must also include documentation that demonstrates full recovery (subject to the DEPARTMENT's verification). When submitting invoices to the DEPARTMENT, the CONSULTANT will not include Recovery Credits for itself or any subconsultants once the CONSULTANT or a subconsultant has reached its Recovery Date.

If upon review the DEPARTMENT is unable to verify that the CONSULTANT's (or a subconsultant's) required PPP Loan recovery was met on the Recovery Date claimed by the CONSULTANT (or a subconsultant), the DEPARTMENT will require, and the CONSULTANT agrees to pay, the amount of any Recovery Credit that should have been credited to the DEPARTMENT under the requirements of this section. The CONSULTANT further agrees that the DEPARTMENT can take such payment from any amount that the DEPARTMENT owes to the CONSULTANT.

The CONSULTANT agrees that the amounts which are, or should be, credited to the DEPARTMENT as part of the CONSULTANT's (or a subconsultant's) Recovery Credit will be deducted from the Contract's maximum-not-to-exceed amount at the time of Contract closure and are not eligible for payment to the CONSULTANT.

The PPP Loan recovery requirements are a federal obligation that is required at every Contract level. The CONSULTANT must pass down applicable requirements to its subconsultants. (*Provision revised 2/15/2023.*)

Activities:

1. Pavement data collection
  - a. Coordinate utility location (Blue Stakes).
  - b. Coordinate and finalize traffic control plans and Kearns City encroachment permit.

    - iii. Collect subgrade sample at two depths or where judged appropriate in the field.
      1. Sampling to consist of driven split spoons (e.g., SPT, Cal) and bulk (5-gallon) sample from drilling cuttings.
      2. Shelby tubes may be used to collect samples of fine-grained soils. collected.
    - iv. Depending on the variability of the pavement section or conflicts with utilities a fourth location will be identified and coordinated for drilling. If notable changes in asphalt thickness are identified in the first three holes or if one location cannot be drilled due to utility conflicts then this fourth location may be completed.
  - d. No laboratory testing required.
  - e. After coring and drilling through the base course, we will first perform manual dynamic cone penetration (DCP) test soundings at the edge of the cored hole, with a target depth of about 2.5 feet or where practical refusal is observed. Split spoon sampling of these tested materials will then occur near the center of the hole.

## FEES

**COST PLUS A FIXED FEE  
WITH FIXED TOTAL ADDITIVE RATE**

1. **COST PLUS A FIXED FEE:** For all services and materials pertinent hereto and/or specifically described herein, except as otherwise explicitly cited, the LOCAL AUTHORITY agrees to authorize CONSULTANT invoices to be paid by the DEPARTMENT for the actual allowable cost and the FIXED additives plus a fixed fee in accordance with Attachment D – Provision 4 Invoices of this contract. Overhead rates have been reviewed, approved, and are limited to the costs which are allowable under 2 C.F.R. Part 200 Subpart E Cost Principles and 48 C.F.R. Part 31 Federal Acquisition Regulations (FAR) in compliance with 23 USC § 112(b)(2)(B), as modified by Utah State law, administrative rules, regulations, or contract provisions.

The contract cost includes direct labor expense, payroll additives; indirect costs and other direct non-salary costs as outlined below.

- (a) The direct labor expense is the actual salary expense for professional and technical personnel and principals for the time they are productively engaged in work necessary to fulfill the terms of this contract. The payroll additives and indirect costs are FIXED as **176.92%** of the direct salary expense.
- (b) If necessary and DEPARTMENT approved, any additional direct expenses incurred in fulfilling the terms of this contract, including but not limited to reproduction, telephone, equipment, supplies and fees of outside CONSULTANTS or sub-consultants will be reimbursed at actual costs.
- (c) If necessary and DEPARTMENT approved, any additional direct travel or lodging expenses incurred in fulfilling the terms of this contract will be reimbursed at actual costs up to the Government Services Administration (GSA) maximum allowed travel rates.
- (d) If the CONSULTANT'S normal accounting practice is to include costs in (b) and (c) above as indirect expenses, then this contract will be consistent with that practice. These types of costs must be disclosed as part of the CONSULTANT's accounting practices and in conformance to Federal Cost Principles.
- (e) The fixed fee has been determined and agreed upon as **10.50%** of the combined estimated direct labor and the Overhead amount, which represents the CONSULTANT'S profit of **\$564.96**. The fixed fee percentage is not a floating percent and should not be billed as a percent of labor. The CONSULTANT will prorate the fixed fee payment and invoice in proportion to the percentage of work completed. If the CONSULTANT has satisfactorily completed the services in ATTACHMENT C, any portion of the fixed fee payment not previously paid in the periodic payment may be invoiced in the final payment request.
- (f) Guest meals (meals paid by a CONSULTANT or a CONSULTANT's employee for someone other than his/her self) will not be eligible for reimbursement unless previously approved in writing by the DEPARTMENT Project Manager.

2. **MODIFICATIONS:** In the event the LOCAL AUTHORITY requires changes of services which materially affect the scope or work plan a contract modification for a change in compensation and/or time for completion must be entered into by the parties hereto prior to making such change. Any such work done without prior LOCAL AUTHORITY and the DEPARTMENT agreement must be deemed ineligible for reimbursement by the DEPARTMENT. The LOCAL AUTHORITY will not entertain requests or claims for reimbursement and remuneration unless written approval is given prior to performance of the work.

3. **PROGRESS PAYMENTS:** Progress payments are based upon the approved percentage of work completed and are made pursuant to certified invoices received.

4. **INVOICES:** The CONSULTANT will invoice the LOCAL AUTHORITY and DEPARTMENT using the actual Wage Rates, FIXED Overhead Rate, prorated Fixed Fee amount, and any additional Direct Costs. The CONSULTANT will submit monthly payment requests promptly and no later than 45 calendar days

after each monthly billing cycle. Invoices are to reflect charges as they apply to the appropriate contract, project, and account number, and must be certified and executed by an official legally authorized to bind the firm. The invoice must be substantiated with appropriate supporting documentation such as time sheets, labor reports, or cost accounting system print-out of employee time, receipts for direct expenses, and subconsultant invoices and supporting documentation that is reviewed and approved by the DEPARTMENT'S Project Manager and subject to final approval by the DEPARTMENT'S Comptroller's Office. The DEPARTMENT will make undisputed payments no later than 30-days after receiving CONSULTANT's invoices and progress reports for services performed. If an invoice is incorrect, defective, or otherwise improper, the DEPARTMENT will notify CONSULTANT within 15 days of discovering the error(s). After the DEPARTMENT receives the corrected invoice, the DEPARTMENT will pay CONSULTANT within 30-days of receiving such invoice.

Payment requests for services performed on or before the last day of the Utah fiscal year (June 30), must be submitted no later than 30 calendar days after the billing cycle, see Utah Code Ann. § 63J-1-601.

The CONSULTANT acknowledges untimely billing may adversely affect the LOCAL AUTHORITY and the DEPARTMENT due to federal funding requirements in 41 C.F.R. § 105 – 71.123, and/or the state fiscal constraints imposed upon it as a department of state government by the Budgetary Procedures Act, Utah Code Ann. § 63J-1-101 et seq. The CONSULTANT waives payment, and waives the right to bring action in law or in equity to recover payment for services, for any and all payment requests the DEPARTMENT does not receive from the CONSULTANT within the timeframe provided under this contract.

5. **FINAL PAYMENT:** Final invoice payment will be released only after all materials and services associated with this contract have been reviewed and approved by the DEPARTMENT'S Project Manager and finalized by the DEPARTMENT'S Comptroller's Office. The final invoice payment will not be released until a Consultant Project Evaluation form has been completed by the LOCAL AUTHORITY and the DEPARTMENT'S Project Manager.

The DEPARTMENT'S Comptroller's Office has the right to hold the final payment on certain projects when design and construction are performed by two separate Consultants or if there is a potential possibility of a design or construction error. The DEPARTMENT also has the right to hold the final invoice payment until the final audit is complete upon the request of the DEPARTMENT Project Manager.

6. **FINANCIAL SUMMARY:** The total maximum amount of disbursement pertinent to this contract must not exceed **\$12,602.73** Contract overruns will not be paid.
