Contact the Region Two Utility and Railroad [Leader John Bangle], [jbangle@utah.gov] for assistance in preparing the Reimbursement Agreement.

The **Local Agency** shall comply with Utah Administrative Code R930-6 if performing any work within **UDOT's** right-of-way. Any inspection by **UDOT** does not relieve the **Local Agency** of its

obligation to meet the standards and specifications. **Local Agency's** construction may conform to local standards if they are equal to or greater than **UDOT's** standards and specifications.

V. All construction performed under this Agreement shall be barrier free to wheelchairs at crosswalks and intersections according to state and local standards.

VI. The **Local Agency** will participate at a minimum of 40% of the total project. **Local Agency's** participation can be through financial contribution, preliminary or construction engineering costs, donated labor or equipment, etc. Supporting documentation will be required to verify all costs.

This amount is the maximum amount of **UDOT's** contribution. If the project should overrun the estimated project amount contained herein, the **Local Agency** shall be responsible to cover the additional amount. If the project is completed for an amount less than the estimated cost, the amounts in paragraph 7 will be adjusted proportionally and **UDOT** will deliver to the **Local Agency** a lump sum amount based on the percentages as stated in this Agreement.

IX. The **Local Agency** will furnish to **UDOT** a statement upon completion of the project for which the grant was made certifying the amount expended on the project and certification that the project was completed in accordance with the standards and specifications adopted for the project by this Agreement.

X. **UDOT** shall have the right to audit all cost records and accounts of the **Local Agency** pertaining to this project. Should the audit disclose that **UDOT's** share of the total cost should be less than the lump sum payment made to the **Local Agency** under this Agreement, the **Local Agency** will promptly refund to **UDOT** the identified overpayment. For purpose of audit, the **Local Agency** is required to keep and maintain its records of work covered herein for a minimum of 3 years after completion of the project.

XI. Upon commencement of the construction, the **Local Agency** agrees to complete the construction [one year from signing of this Agreement]. If for any reason, the **Local Agency** cannot complete construction [one year from signing of this agreement], the **Local Agency** must request, in writing [ninety days before the Agreement expires], an extension of the grant with a full explanation of why the project cannot be completed on time and provide a new planned completion date. **UDOT** will review the request and inform the **Local Agency**, in writing, whether or not the request has been approved. Reasons for which **UDOT** will allow an extension of time include, but are not limited to, weather delays, material shortages, labor strike, natural disaster, or other circumstances that are beyond the **Local Agency's** control. XIII. Upon completion of the work covered by this Agreement, the **Local Agency** shall be responsible for all costs associated with the ongoing care and maintenance of the resulting improvements.

XIV. UDOT and the **Local Agency** are both governmental entities subject to the Governmental Immunity Act. Each party agrees to indemnify, defend and save harmless the other party from any and all damages, claims, suits, costs, attorney's fees and actions arising from or related to its actions or omissions or the acts or omissions of its officers, agents, or employees in connection with the performance and/or subject matter of this Agreement. It is expressly agreed between the parties that the obligations to indemnify is limited to the dollar amounts set forth in the Governmental Immunity Act, provided the Act applies to the action or omission giving rise to the protections of this paragraph. XV. Each party agrees to undertake and perform all further acts that are reasonably necessary to carry out the intent and purposes of the Agreement at the request of the other party.

XVI. The failure of either party to insist upon strict compliance of any of the terms and conditions, or failure or delay by either party to exercise any rights or remedies provided in this Agreement, or by law, will not release either party from any obligations arising under this Agreement.

XVII. This Agreement does not create any type of agency relationship, joint venture or partnership between the parties.

XVIII. Each party represents that it has the authority to enter into this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by its duly authorized officers as of the day and year first above written.
