Mike,

Sorry for being a little late. We had to get somethings clarified.

We have 20 reservoir water shares available. Below is the stock number, and the amount of shares on that stock number.

We need \$8000.00 a share for these stocks.

Stock Number	amount on the stock number
9673	16
9792	1
9837	1
9910	1

I have the stock certificates in hand. They where also verified by the water company.

We also have some early water shares. Because of tax purposes We cannot sell at this time.

If you are interested we will keep Price City in mind when we are ready to sell them.

Please keep us informed of your intentions.

Thank You,
