TAMARA L. GOETZ
STEM Division Director

Our Mission:

The STEM Action Center is Utah's leader in promoting science, technology, engineering and math through best practices in education to ensure connection with industry and Utah's long-term economic prosperity.

Our Vision:

- Produce a STEM-competitive workforce to ensure Utah's continued economic success in the global marketplace.
- Catalyze student experience, community engagement and industry alignment by identifying and implementing the public- and higher-education best practices that will transform workforce development.
- Identify and implement STEM education best practices that will help to transform STEM education and workforce development.
- Increase equity and access to all Utah students, including those in rural communities.
