DETAILED REASON AND EXPLANATION FOR REQUEST:

As the Forebay Committee and Payson City Council consider a conservation easement for the Forebay Recreation Area, the committee is requesting a work session to discuss the conservation values that will form the basis of the easement.

The work session will focus on the future use of Forebay, ensuring it remains open and accessible to the public for recreation and scenic enjoyment, while protecting its unique natural features, wildlife habitat, open space, educational opportunities, and public recreation access.

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.
