MOTION FOR THE BOARD: That the Board continues and approves R277-473, Utah Computer Science Grant, Draft 2, on the second and final reading.

Background:

This rule is due for its five year review before November 8, 2024. This grant was initially a pilot project, but has now been converted to an on-going grant, in which most LEAs participate. Staff recommend repealing the old language which supported the pilot project and updating the rule to reflect the requirements for ongoing administration of the K-12 Computer Science for Utah Grant and advisory committee.
