

# SEATS Program Management Review

*SEATS*

September 26, 2024 | Utah State Board of Education  
Marlene Ruff, Program Manager

# SEATS – Current and Upcoming Work

Green

## Recent Wins - SEATS Legislative and Application Progress (July 1, 2023 – Current)

- ✓ Automated the financial process information
- ✓ Added sixth grade student eligibility back into the application process
- ✓ Allow Counselors to request specific deadlines to receive Senior transcripts
- ✓ Increased loading speeds for users
- ✓ Upgraded the Status processes to be permission based to reduce improper processing and payments
- ✓ Created an SSID validation/insertion through the SSID API
- ✓ Created UFA validations

## Currently

- ✓ UFA recipients are currently updated manually each week
- ✓ UFA API to automate the UFA recipient updates is currently being programmed and tested
- ✓ Continuous maintenance which would include UI, emails, messages, updating Provider links, and additional data views as needed.

## Upcoming

- ✓ Additional APIs
  - UFA for required SOEP enrollment verification
  - UTREx for student data validations

## Issues/Risks

1. One developer for all the required changes due to program needs and legislation requirements
2. Future of the SEATS Application

## Mitigation

1. Plan and prepare for deadlines and requirements to be completed as specified
2. Assist with any information that will allow future decisions to be made for the benefit of the SOEP Program

# SEATS – Future

## SOEP Possible Future Changes

### One SIS - The SOEP program will be integrated into the one SIS system

- Management of the program
- Grades and transcript transfers
- API for continuous communication with USIMS

### SEATS/SOEP Application Rewrite

- Allow for a new and enhanced look and flow for all Users
- New and enhanced processes using newer programming languages, tools, and processes
- Continuous communication with external applications
  - UFA
  - USIMS
