Planning and Zoning Division Manager, Drew Eschler, presented the "Aureka" annexation petition. Mr. Eschler explains that the proposed annexation area connects to a previous Johnson Water and Griffith annexation area that was previously approved. Mr. Eschler added that the requested zoning for the area would be a combination of R-1-10 and Commercial, which is also consistent with neighboring properties. Commissioner Hoschouer asked if it was common practice to have an R-1-10 zone adjacent to a commercial zone and Mr. Eschler explained that it is common for the two zones to abut and that no exception was being made.

A motion to enter a public hearing to receive comments on the proposed annexation was

submitted by Keith Goodspeed. Seconded by Lynn Snow.

ACTION ITEMS

MASTER SITE PLAN APPROVAL- SODA SPLASH, DREW ESCHLER

Jason Roos is requesting site plan approval for the "Soda Splash" project located on parcel # 00-0035-2575 (zoned commercial), near the US Designs building on Highway 40 in Roosevelt.

Agenda Attachments

1. [2402-054 SODA SPLASH_CONFORMANCE SET_Rev2.pdf](#)

Planning and Zoning Division Manager, Drew Eschler presented the site plan and explained that it currently does not include enough parking, so to remedy this, Mr. Ross is securing a parking agreement with the adjacent property owner. An access agreement would also be needed for access off Highway 40 to allow through traffic between the two lots.

Commissioner Goodspeed asked if there was adequate room for delivery vehicles, citing concerns of delivery vehicles obstructing traffic. Mr. Ross indicated the parking area on the site plan and explained that delivery vehicles wouldn't fit in the drive-through, but obstructing traffic shouldn't be an issue because they would still fit in the parking lot. The Commission also noted that drainage should be included in the parking/ access agreement to ensure drainage is retained even if the property is sold. Potential erosion concerns were also brought up. Mr. Ross doesn't currently have a mitigation plan. However, he stated that he would be willing to do something like plant wild grass seeds to mitigate potential erosion issues.

A motion to approve the site plan, contingent upon recording of agreement including parking, access and drainage for the property was submitted by Lynn Snow. Seconded by Ren Bagley

Ayes: Lynn Snow, Ren Bagley, Dale Tribe, Tommy Hoschouer
