FUSF: Due to direction from USAC, customers of Syringa Networks are required to identify the percentage of interstate traffic that rides each circuit purchased. The percentage of interstate usage, commonly known as PIU, shall be designated as either: Less than 10% or Greater than 10%. Interstate telecommunications traffic includes, but is not limited to; broadband internet access, wireless telephony, including cellular and personal communication services (PCS); paging and messaging services; dispatch services; mobile radio services; operator services; access to interexchange service; special access; wide area telecommunication services (WATS); subscriber toll-free services; 900 services; message telephone services (MTS); telex; telegraph; video services; satellite services; and interconnected VOIP services and are subject to the FUSF Surcharge. Please review the services and percentages listed on the attached Addendum. By signing below customer warrants that the FUSF PIU selected for each service is correct.

TOTAL PRICING AND CHARGES

Monthly Recurring Charges	\$780.00
Non-Recurring Charges	\$0.00

Customer hereby makes this Service Order as more particularly set forth on the attached Addendum, pursuant to the Syringa Networks Standard Terms and Conditions set forth in the Master Services Agreement by and between the parties. Desired Installation Date is subject to Syringa Networks internal provisioning intervals, which are specific to service type and facility availability. Provisioning interval begins after receipt of all required documentation. Orders will not be considered complete until Customer has provided all required information. Customer is subject to a 30 day disconnect interval upon receipt of disconnect order. The Contract Term will automatically renew on a month-to-month basis under Syringa Networks' then-current Standard Terms and Conditions unless one Party provides the other with written notice of its intent not to renew it at least sixty (60) days prior to the end of the initial term or at least thirty (30) days prior to the end of any renewal term. Customer warrants that the individual listed below has full and complete authority to bind Customer. By execution hereof, if Customer has not entered into a Master Services Agreement with Syringa Networks, Customer acknowledges that Customer has read and agrees to abide by the Standard Terms and Conditions set forth at https://www.syringanetworks.net/support/terms_and_conditions as amended from time to time. This Exhibit A and the attached Addendum will be deemed valid and binding upon the Parties upon commencement and acceptance of the Services ordered pursuant hereto, whether or not signed by Syringa Networks.
