

Greetings,

Utah Power Credit Union is preparing for our annual holiday service project. In past years, we have held a raffle for items donated by local businesses. Those funds have been used for various service projects including Thanksgiving Dinners, Angel Tree gifts, and gifts to support the elderly in the community.

Our goal this year is to put together gift baskets for each resident at the Emery Care Center in Ferron and Good Life in Elmo.

We are reaching out to local businesses for donations for our raffle. Your contribution helps us provide service in our community. If you are interested in donating, we would appreciate any item that represents your business. Monetary donations and gift certificates are also greatly appreciated.

Your business name and logo will be displayed next to your donated item.

Thank you for your time and for being a special part of our community.

Best,

Utah Power Credit Union

Huntington Office
