MIDVALE CITY PUBLIC NOTICE:

Midvale City is soliciting written Requests for Proposals (RFP) from qualified Bidders to provide software services for its Community Development Department. Midvale's Community Development Department manages and coordinates the development and implementation of the City's long-term planning initiatives, business license applications and renewals, building permitting, and code enforcement.

Midvale's Community Development Department plays a crucial role in the City's development and is responsible for creating and implementing plans that shape the city's future. To carry out these responsibilities effectively, the Community Development Department requires a comprehensive software solution that will aid with managing and analyzing complex data related to the City's development. The successful bidder will agree to provide a software solution as a service in accordance with the RFP. The successful bidder will provide design, configuration, and support for planning and development business software as a service for Midvale City's Community Development Department.

RECEIPT OF PROPOSALS:

Proposals will only be accepted when submitted electronically to U3P Utah Public Procurement Place at:
