**DETAILED REASON AND EXPLANATION FOR REQUEST:**

The request is to require all individual units to have a separate water and sewer lateral. We have had two instances lately where the industrial building started off as one unit and then they changed to condominimize the unit and we were unable to force them to go to individual laterals due to our ordinance. This will allow us to require it going forward.

**DUE DATE:**

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.
