EMPLOYMENT & TRAINING PROGRAM OVERVIEW

WHAT IS EMPLOYMENT & TRAINING?

The Employment & Training (E&T) program is designed to help Supplemental Nutrition Assistance Program (SNAP) participants gain:

- skills
- training
- work experience

increasing their ability to obtain regular employment that leads to economic self-sufficiency.

WHO NEEDS TO PARTICIPATE IN E&T?

Individuals who are currently unemployed and have no barriers to employment.

WHAT ARE THE REQUIREMENTS?

1. Register for work at jobs.utah.gov
2. Complete the online evaluation
3. Attend a virtual workshop
4. Meet with the assigned employment counselor
5. Complete any mandatory workshops, and 48 job contacts by the end of the 3rd month

The individual will receive a \$50 work reimbursement for any participation once a month for up to 3 months.

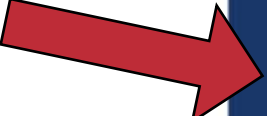

Goals for participant Outcomes:

The individual successfully participates in the E&T program and will also be exempt from further participation in the following 12 months.

By utilizing current forecasting trends, employment counselors can assist individuals in obtaining the skills, training, and work experience in high need positions in their area.

Individuals will have the confidence in obtaining employment which leads to economic self-sufficiency.
