

Betty G. Naylor

I own a farm in West Jordan. It is a Utah State Century farm owned by my family since 1907. My boys and I raise hay, grain, corn and try to have a garden. We also have 20 head of Angus cows plus their babies. . The farm is a lot of work, but the enjoyment of seeing a successful crop produced and the birth of a healthy baby calf is worth it.

RESUME:

1964 to 1973	Teacher at Hollywood Beauty Technical College.
1963	Student at Hollywood Beauty Technical College.
1963	Graduate of Bingham High School.

I have served three Governor’s appointments. I served as Chairman of the citizen committee for the DEQ, Jordan Valley Water Conservancy District and Kennecott Copper under ground water contamination cleanup project. This is where I learned about water quality, water contaminates, aquifers, well drilling and water plumes. I represented the private well users on this committee. I served on the Utah State Drinking Water Board in the late 80’s and again from 2009 to 2019.

I have served on the Board of Directors for the Utah League of Cities & Towns.

I have been an alternate delegate to the Republican Presidential National Nominating Convention for President Ronald Reagan in Dallas Texas.

I have received the Salt Lake Valley Women of the Year award.

I have worked two years during the Utah State Legislature session. I worked one year in the Senate as the Third House hostess and one year in the House of Representatives working with the Utah Highway Patrol Department in security.

I have twice been in Washington DC and had meetings with our Senators and Congressmen.

I have enjoyed serving in the various positions I have held and tried to knowledgeably and honorably serve the citizens of Salt Lake County and the State of Utah.
