APPLICATION IS HEREBY MADE TO THE PLANNING COMMISSION REQUESTING THAT:

(Describe in as much detail as possible the business and use on property)

We are starting up new Dumpster Company only dealing in construction debris, no house hold type garbage. Bins will be taken from job site to landfill and dumped, returned to the job site or to the next job site. In a rare event we bring A empty bin back to our home business to be taken to the next customer. Truck & bin to be parked in the shop we have onsite to be delivered to the customer the next day first thing. Truck is a medium duty truck with same motor in any other Ram pickup truck this is a NON-CDL required truck under 26,000 lbs. We would be operating between 0700 (7am) – 1900 (7pm) No employees only owner operator. We wont be doing any major repairs that will be done at a shop. All our equipment is new as well. We are sub-leasing a spot at the Depot 105 S. Glenn CT. Bldg. 2002, Tooele Home will be storing the truck / home office and minor maintenance. Only bins that will be onsite outside will be for My personal use (e.g. Yard waste, property cleanup & renovation projects (1-3 bins) depending on projects.

Total acreage of parcel: 5 Area occupied by this use: Shop 40' (W) x 70' (L)

Current zoning designation: RR5 Current use of land (residential, commercial, etc.):

What area(s) of the property will be used for the business (accessory structures, yard space, in the residence, etc.)?
2 bays of my shop and 40' (W) x 50-70' (L).

How many Employees will be coming to work at the property (whether to pick up items or work)? 2

How many deliveries or pickups will be made to the property?: NO 3rd. Party Delivery or pickups (i.e. Customer, delivery companies, etc.

How many customers will be allowed at the property at one time? 0

What type and how much raw and finished product will be stored? NONE

How and where will equipment and materials/product be stored? Truck & bins in shop and only bins (1-3) for personal use would be outside based on home / maintenance & renovation projects, If anything ever changed we would build a structure per City & County CUP to house any other business trucks or equipment.

Include the following with the application:

Applicant City

Site Plan with the following:

1. A north arrow, the scale of the drawing, and the date of the drawing.
2. Street names and addresses.
3. **Property lines with dimensions.**
4. All sidewalks, driveways, curbs and gutter, **and parking areas** (if any).
5. **All existing easements, rights-of-way, and any other significant features on the site.**
6. **Existing buildings** and significant features located on adjacent properties **within 50 feet (50')** of the subject property boundaries.

Responses to the following questions:

1. How does your proposed project fit in with surrounding properties and uses? Will NOT have any effect as we will have truck in shop to keep out of weather and UV rays.

2. In what ways does the project not fit in with surrounding properties and uses? None – There are plenty of other home-based business with much more equipment, heavier equipment. We have a single under 26,000 lb. Non-CDL truck with the same motor that is in the any other Medium Duty pickup truck. Truck will be parked inside our shop, and the bins will be at a sub-leased yard space at the old Tooele, UT Depot 105 S. Glenn CT. Building 2002, Tooele, UT 84074 or at job sites.

3. What is your plan to mitigate the potential conflicts/nuisances with surrounding properties and use, if an exist?. I have talked to my neighbors sharing the same property lines on each side and behind me and they were fine with the home-based business. As long as im following the CUP, which allows me to store equipment in a covered structure. Only bins (est. 1-3) as stated will be for personal property use as listed above for Yard & other home projects and renovations. If any concerns arise, they can always talk to me as we have done in the past, and I will do my best to adjust to keep them happy with in reason.
