4. GENERAL BUS. / DISCUSSION ITEMS / ITEMS PULLED FROM THE CONSENT AGENDA

- a. **REPORT FROM EMS** – Jared Howes. Mr. Howes advised that he was having to resign as vice chairman of the Emery Emergency Medical Special Service District, effective immediately. Mayor Jackson went on to advise that there will need to be a representative from Ferron either himself or a Council Member. Mr. Howes advised the council that a EMT training course will begin on the 29th of October. There was a discussion about how the City can help with promoting this course and the possible reimbursement for the course cost once the candidate has passed the course. Currently Ferron City is 2nd in being staffed. The ideal number for Ferron would be 12 advanced EMT's and we have 5 or 6. Having more trained EMT's is the hope for Ferron City.
- b. **REPORT FROM FFD – Chief Randy Kenney**
The fall burn window is open. The department has had to respond to two open flames with no one attending the burn. There was a letter sent out with the ordinance with the first offense. On Tuesday the Fire Department will be at the elementary school, the preschool, to do a presentation for the youngest of our citizens. Chief has been advised that our new fire truck is in production, and he will keep the Council informed of the progress. Currently the Fire Department is training to obtain their red cards. The hope is that by next fire season Ferron Fire has 5 fire fighters with their red cards. Currently the focus is to train the current department and find more volunteer fire fighters.
- c. **DISCUSS/APPROVE/DENY – Amendment to the agreement with Bench Craft Company.**
The amendment is for golf ball washers. The golf course personnel will be responsible for the maintenance.
