START THE REVIEW OF 2024 IBC
ALONG WITH CURRENT
AMENDMENTS

Oliver Burt gave his review of Chapter 16 and the changes that he found. Most of the changes he found were minor or for clarification. He noted that the snow provisions have changed. He also noted that "risk category" has been added to the snow load and may affect the current snow load amendment. Tyler Wright will reach out to SEAU and ask for their input on the snow load provisions.
