Request for Bids (RFB)

Soliciting Body: Salina City

Project Title: Salina City Park Improvements

Project Funding: May be funded in part through HUD Community Services Block (CDBG) or other federal funding

Anticipated Project Start Date: October 2025

Due Date: November 19, 2024, 5:00PM MST

Overview

Salina City is seeking Competitive Sealed Bids (CSB) for a procurement of upgrades and improvements to the Salina City Park. Salina City will select one (1) Supplier to provide equipment, materials and labor for the project as outlined in this RFB.

Project requirements

Salina City is seeking to make upgrades and improvements to the Salina City Park, located at 329 West 400 North Salina UT. 84654. This project will include all activities to purchase and install items below or similar items that could also be used to meet ADA compliance.

- Engineering services for design and project management.
- Park lighting, including lighting around the pickleball courts and lighting in the pavilion.
- 3 shaded benches - These will be roughly 6 feet in length and double sided and adjacent to the pickleball courts.
- 2 new bathrooms - Construction of 2 new bathrooms. The bathrooms will be constructed of cinder block, and be 36 ft in length, 13 ft in width, and 8 ft in height. The bathrooms will be of the same design as the existing bathrooms located at 1500 Old Hwy 10, Salina, UT 84654.
- 1 digital sign - This includes the installation of a new digital sign approximately 4 feet wide and 3 feet high.
- 2 new pickleball courts - Construction of 2 new pickleball courts to be installed under a 2,000 sq. ft. bowery, which should be included in the bids. Pickleball Court bids should include sports flooring, nets and poles. Each pickleball court should be at least 800 sq. ft. in size.
- 20 picnic tables - These will be 8-foot rectangular picnic tables.
- 6 sets of bleachers - Each bleacher set should have 4 rows and be 21' across that seats 56. Bleachers will have 2" x 10" aluminum planks.

Note: if adding ADA elements within the project, specify within the scope the ADA request such as specifying the bathroom will be ADA accessible.

Quality of system components, quality of design, handicapped accessibility, inclusiveness, cost, appropriateness to location and target demographic must be taken into consideration in the design of the proposed system. Salina City requires contractors to provide playground equipment that meets or exceeds all current federal standards, including ADA requirements. All installed parts must be of a commercial grade and quality. No residential grade equipment will be accepted.

The bid submitted needs to list the designed components being proposed for the park improvements and updates, as well as a time frame for completion once notified of award. Bidders should include structure and component model numbers, materials, color choices and recommendations, estimated lifetime of equipment including manufacturers' warranty, and any other relevant descriptive information. Bidders are encouraged to take accessibility into account in their designs.

Preferred Project Options

- All equipment elements must demonstrate the highest level of durability in materials and finishes selected in consideration of health and safety.
- "Green" construction practices and materials are highly desired.
- Structures and elements should be unique to the parks so as not to duplicate others in the greater area.

Scope of Work and Terms and Conditions

The proposed Scope of Work has been attached to this Request for Bids (RFB). Bidders should review the Scope of Work before submitting their responses to the Application requirements to ensure the Bidder's capability to meet all project and funding requirements. Additional items that may be out for bid that are not included in this scope of work are NOT considered part of this project, but rather may be noted for information purposes.
