Council Member Rod McGary and Clerk Tammie Morgan were excused from this meeting.

Mayor Scott O'Hare said Good evening, everybody. We'd like to welcome everybody to this special town council meeting tonight on October the 18th of 2024. It is now 7pm. This agenda for the meeting is for a vote that we need to make for crack stealing the roads. So that will be all that we'll be doing tonight, for the record, we'd like to recognize our council member, Trish Arbon. We also like to recognize Heather O'Hare and LuAnn Johnson. Our deputy clerk, Stacey Hill. I'm the mayor Scott O'Hare, and we want to excuse Rod Arbon. I'm sorry Rod McGary is not here. So right now, we'll have Trish lead us in the prayer, I mean, in the pledge, and then Heather will do the prayer.

Trisha said I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible with liberty and justice for all.

Heathers said Our dear Father in Heaven, and thank you for letting me be here today and everything will go home safely
say it's the name of Jesus, Christ. Amen.

Mayor O'Hare said thank you Heather, and thank you, Trish. So everybody remembers the last meeting that we had about the crack seals, we didn't have the actual, actually, I'm going to turn it over to LuAnn to explain.

LuAnn said yeah, he messed up and sent us the same bid twice. So he sent us the new one, and because he had the County road, the Cemetery Road on there, which is County and so we didn't want that. And so when I talked to him the other day there, the scheduling person called me today, which is Friday, so they called me Wednesday and said that they will have us on the schedule for the 28th and

29th of October to do the crack seals. And I said, so I think everything will be fine, but we got to vote on it first, and so I'll call him back in the morning and tell him what to do if we vote yes, so it's \$13,558.13 for the crack seals.

Mayor O'Hare said that we do have that in the roads budget.

LuAnn said Yes, I checked with Tammie, and she said that we should be fine with it.

Mayor O'Hare said Yeah, we do. We have quite a bit in there. So well, we've used some, but we still got enough.

LuAnn said yeah, and then we got the bill, actually, for they just did the whole summer. And so I went back, and I talked to him too, and it was correct because they did do potholes twice. They came back, they came in June, and then they came again before they did the chip seals to finish the potholes. So that was a little bit higher than what we originally thought it was, \$42,000 and something for the whole summer work.

Stacey said so that was for the County.

LuAnn said that was from the County, and so I couldn't get anybody else to come out and give us a bid. I tried. I tried and tried, and they won't come out.

Stacey said that just needs to be mentioned.

LuAnn said then there was a couple that said they don't do it anymore, Parsons didn't do it anymore. And I don't remember who the second one was. Maybe it was Anderson. Anyway, I called four, and I couldn't get anybody to call me back to set up a bid, Eckles was they called me right back, and they were anxious for the business. So I tried to get other people to come out, but nobody would do it.

Mayor O'Hare said and that's the problem we have with living out here.

LuAnn said Well, I think if they think it's so far away, I said, I'm like I told him. I said we're only 38 miles from Tremonton, west of Tremonton. No, we don't go that far. We don't come out that far. So I couldn't find anybody else. I didn't know who else to call, actually, so I called those four. But no, that looks like this will work.

Trisha said so I think if we're all good with it. I'll make a motion to go ahead and accept the bid. For the Crack seals for the roads.

Mayor O'Hare said I have a motion from Trish. Do I have a second?

Heather said second.

Mayor O'Hare said Have a second from Heather? All in favor? Aye. Any opposed? Okay, it's passed. Does anybody have any other questions? Okay, I need a motion to adjourn.

LuAnn said I make a motion to adjourn.

Mayor O'Hare said we have a motion to adjourn. Do I have a second?

Heathers said Second.

Mayor O'Hare said second from Heather, all in favor? Aye, any opposed?

We adjourned.
