RE: **KNIGHT CENTER PUD SUBDIVISION**  
Subdivision Plat Review

Date: November 12, 2024

Our office has reviewed the subdivision plat for the referenced subdivision. The proposed subdivision is located at the existing commercial parcel, Knight Center, at 1741 North 2000 West. The subdivision will allow the property owner to have separate ownership of the three existing buildings shown on the plat and the proposed building pad on the south side of the parcel. Everything outside of the buildings is considered Common Area and will provide for access and utility easements on the site.

We have reviewed the plat and boundary description and found only one minor spelling error, which can be corrected prior to recording the plat. We recommend approval of the plat at this time.

If you have any questions, please let us know.
