1. Prioritize, approve and discuss projects for application to the Community Development Block Grant Program	The Council moved into a work meeting to discuss project suggestions from the recent public hearing. Public Comments Resident Andy Christiansen arrived and requested an opportunity to address the Council, as he was unable to attend the public hearing. The Council listened to his suggestions, which included the following: 1. Acquisition of a Fire Brush Truck 2. Aquifer improvements at the town's springs 3. A pathway or bike trail around the town's perimeter 4. Additional pickleball courts, potentially at a new location 5. A sidewalk or bike path along Canyon Road Another resident, Robert Brown, joined the meeting as an observer. Council Discussion The Council discussed various projects suggested by the public, considering the feasibility and impact of each. They reviewed several options including: • A smaller truck for public works • A building at the cemetery • An Aquifer recharge study, which is currently on the CIB (Community
