

INVITATION TO BID

Sealed bids for the construction of the 5100 South 2700 West Sound Wall Project will be received by Taylorsville City at the office of the City Engineer at 2600 West Taylorsville Blvd. until 2:00 p.m. local time on **December 10, 2024**, at which time the bids received will be publicly opened and read. The project consists of construction of a precast concrete sound wall on the east side of 2700 West, including removal of existing fences, grading, connections of existing fences to the new wall, landscape restoration, traffic control, and all associated work items. Prospective bidders may download the bidding documents from the city website at taylorssvilleut.gov.
