

Huntington City
Code Enforcement
20 S Main – PO Box 126
Huntington, UT 84528

Date: _____

**The following issues have been observed on
your property,
address: _____
and are in need of immediate attention:**

Weeds:

- ☐ Weeds, garbage, refuse must be eradicated, destroyed and removed. This includes vacant lots and undeveloped property. All trimmings must be removed from property and park strip. Continued maintenance is required.

Improper Storage:

- ☐ Materials commonly designated as junk must be removed from your property.
- ☐ All unregistered and/or inoperable vehicles must be removed, stored in a garage, or registered and/or repaired.

Sidewalk Obstructions:

- ☐ No vehicle may be parked in such a position as to block any portion of a city sidewalk.
- ☐ Vegetation may not interfere with safe passage along a city sidewalk. All shrubs, vines, and bushes must be kept trimmed back to the edge of the sidewalk.
- ☐ Sidewalks must be cleared of snow and ice within 24 hours of a snowstorm. Immediate removal is preferred for pedestrian safety.

Trees:

- ☐ Trees overhanging the sidewalk must be trimmed to a minimum height of 7 feet above the sidewalk.
- ☐ Trees overhanging the street must be trimmed to a minimum height of 13.5 feet above the roadway.

What is the purpose of this notice?

This process serves as notice of City Code violation(s); this is not a citation, but rather a request to bring the property into compliance.

Required Action

Please correct the violation/s within no more than 30 days. Failure to bring the property into compliance or repetitive infractions will result in a violation letter and subsequent fines.

Why is code compliance necessary?

City Codes reflect the standards of the community. These codes are enforced to provide a safe and enjoyable environment for people and neighborhoods. Huntington City provides this notice as a reminder of code requirements in an effort to further community goals, with compliance resulting in beautification, sustained property values and quality of life.

**If you have questions, please contact
Gary Arrington, Zoning Administrator at
(435) 650-1011**
