

RESOLUTION 11 05 2024
MONROE CITY WATER CONSERVATION PLAN UPDATE

A RESOLUTION OF THE CITY COUNCIL OF MONROE CITY, UT ADOPTING THE
UPDATED 2024 MONROE CITY WATER CONSERVATION PLAN.

WHEREAS Monroe City operates a culinary water system and pressurized secondary irrigation system; and

WHEREAS The Utah Water Conservation Plan Act of 1998, Utah Code 73-10-32, requires municipalities that operate water systems to establish and update a water conservation plan every five years; and

WHEREAS The City's water conservation plan was last updated and approved in 2019 and has recently been updated by Monroe City Staff and includes specific goals and objectives to help reduce waer consumption on a per capita basis; and

WHEREAS The Monroe City Council understands the pressing need to use water in a more efficient manner to allow for future sustained growth of the community; and

WHEREAS The Monroe City Council finds that adopting the 2024 Monroe City Conservation Plan is in the best interest of the health, safety, and welfare of the citizens of Monroe.

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF MONROE, UTAH:

Section 1. Plan Adoption: the document titled "2024 Monroe City Water Conservation Plan" is hereby adopted as the updated Water Conservation Plan of Monroe City.
