Action/Discussion Items

Resolution No. 2024-06-05 Adopting a Proposed Tax Rate on All Real and Personal Property within White City for Calendar Year 2024

Dave Sanderson, Financial Manager, stated Salt Lake Valley Law Enforcement Service Area (SLVLESA) is getting \$6 million in property taxes.

Paul Ashton stated real estate has increased to where the County Council will do another round of Truth in Taxation to raise a potential \$6 million. However, this will be subject to a vote of the Salt Lake County Council.

Mayor Flint stated property taxes will be affected by all the island annexations in Sandy. She would prefer to postpone this decision until next year when the numbers are better.

DATE MONDAY JUNE 17, 2024

Council Member Huish, seconded by Council Member Cardenaz, moved to postpone any conversation regarding Resolution 2024-06-05 adopting a proposed tax rate on all real personal property within White City until 2025.

Discussion and Possible Motion Regarding Form of Government

Paul Ashton stated under HB35, the Council had until the end of the month to decide on a form of government. The default would be a five-member Council like now, but with a mayor who is elected at large. Any Council members who run for mayor and lose will lose their seat.

Council Member Cardenaz, seconded by Council Member Shelton, moved to stay with the five-member Council form of government for White City. The motion passed unanimously.
