## Mayor's Report, November

*(For the full report visit the [Torrey.gov](http://Torrey.gov) website, Public Notice Website or Torrey Office)*

### Attended the County Budget Hearing

I will post the county budget on the website and copies will be available in the town office  
Included NF will reimburse Torrey for fuel cost for the creek crossing work

Having discussions with Sheriff Gulley about ordinance enforcement.

### Attended Commissioner and Mayor's November meeting

R6 printed an updated Water System Map and town maps. These are very nice maps

### Grant work

Walking path  
Replacing the Sand Creek Bridge  
Outdoor Recreational Planning Assistance (ORPA) for Outdoor Master Plan  
Utah Emergency Management Services Technical Assistance Grant  
Flood mitigation FEMA BRIC grant  
Rural Community Opportunity Grants

### **IT updates**

Discussed sharing license cost with Mayor Noreen Johnson, Bicknell, for building permit software  
Submitted RFP to AC Ivory Torrey is looking for a local web developer.  
Looking for a proposal for an audio upgrade.

*Mickey Wright, Mayor*

## News Flash !!!

- \* Planning and Zoning has a new Chairman, Sue Fritzke!!
- \* The maintenance lot adjacent to the Torrey Cemetery will be fenced to shield the view from the cemetery. This will improve the esthetics of the peaceful cemetery property.
- \* Have a safe and happy Thanksgiving and Christmas.

## **Prepare your Culinary Connections for Winter:**

### **Water Leak Prevention**

As winter is approaching, we have advice for you as culinary water consumers on our Torrey water system. In the past, frozen pipes have caused expensive flooding issues. Most problems occur between the meter and your home or on outdoor taps. Here are recommendations to prevent this from happening to you:

- If you don't already have one, consider installing a shut-off ball valve just outside your water meter. Most newer homes and businesses already have shut-off valves installed.
- Contact Dustin Oyler, 435-691-1450, our town maintenance supervisor with any questions and prior to installation. He will have to turn off your water at the meter prior to installation of the shut-off ball valve. Please call Dustin if you have questions.

Thank you, Torrey Town Mayor and City Council
