Meggie Troili presented a housing incentive through the Main Street Upper Floor Housing Initiative (Initiative). The Applicants were pre-approved through **Resolution No. 2024-27RDA** to include affordable housing within the West Main mixed-use development (Project) located at 7592 Main Street, Midvale. The initial application and subsequent documentation from the Applicants have been thoroughly reviewed and the project is recommended for funding by a committee comprised of Agency and City staff.

The Main Street Upper Floor Housing Initiative (the “Initiative”) was approved by the Redevelopment Agency (the “Agency”) Board in 2019 and is supported by the Agency's dedicated affordable housing funds. The Initiative aims to provide up to 50% of the total rehabilitation and/or development costs of the residential component of a project to be used for affordable housing for households who fall at or below 80% AMI.

Terms of the Agreements:

- The total cost of the West Main Project is approximately \$19,316,160.
- The Applicants requested an incentive amount of \$6,254,275, covering 50% of the development costs for (50) fifty of the (66) sixty-six total residential units in the Project.
- This funding will ensure all (50) fifty of the one-bedroom units are designated affordable as part of the Initiative.
- The affordable units will be available for a term of 20 years to households with annual incomes at or below 60% of the Area Median Income (AMI), based on Salt Lake County's AMI levels, as defined by the Department of Housing and Urban Development (HUD).
- Qualifying households will be eligible to pay rental rates that are reduced to 60% of the market rates within Salt Lake County, as revised by HUD annually.
- All (50) units will be subject to deed restrictions, held by the Agency, as part of the Incentive agreement.
- The Agency will have a Right of First Refusal if the Applicants choose to sell the Project.
- The Disbursement Agreement, a four-party agreement between Midvale Main Partners, BlackPine, Zions Bank and the RDA, identifies the funding

sources, specifies the total amount, and outlines the order in which the funds will be used.

FISCAL IMPACT: \$6,254,275 from the Agency's Affordable Housing Fund

B. CONSIDER RESOLUTION NO. 2024-28RDA CONSENT TO ENTER INTO A THREE-YEAR CONTRACT WITH CRAFT LAKE CITY TO PRODUCE THE ANNUAL LETTERWEST CONFERENCE.

Meggie Troili said on November 13, 2023, the Redevelopment Agency of Midvale City (Agency) entered into a service agreement with Craft Lake City (Contractor) to produce the third annual LetterWest conference within the Midvale Main Arts & Culture District. This one-day conference took place on March 2, 2024, and based on its success, as described in the conference recap and evaluation report **Exhibit "A"**, the Agency desires to continue its relationship with the Contractor to produce LetterWest over the next three (3) years.

The Agency seeks to enter a three-year agreement **Exhibit "B"**, with the Contractor to

In Spring 2025 the 4th Annual LetterWest will increase from a one-day to a two-day conference to be held on Friday March 14th and Saturday March 15th. Beginning in 2026 LetterWest will include a night market for the broader community in Midvale and the Wasatch Front to enjoy. **C. CONSIDER RESOLUTION NO. 2024-29RDA CONSENT TO ENTER INTO
A PASS-THROUGH AGREEMENT WITH MIDVALE CITY FOR
COMMUNITY DEVELOPMENT BLOCK GRANT FUNDING TO SUPPORT
THE REDEVELOPMENT AGENCY'S HOME REPAIR LOAN PROGRAM.**

Meggie Troili said On November 22, 2023, Midvale City applied for and was awarded \$100,000 in Community Development Block Grant (CDBG) funding from Salt Lake County to support the Redevelopment Agency's (RDA) Home Repair Loan Program (HRLP) for fiscal year 2025. \$96,976 of unspent CDBG funds from fiscal year 2024 will also roll over into fiscal year 2025 for a total award of \$196,976 of CDBG funding.

Resolution No. 2024-29RDA will provide consent for Midvale City to pass CDBG funding to the RDA to support the HRLP. This pass-through agreement is necessary because the CDBG funds were awarded to the City, but the RDA administers the HRLP and holds the contract with the provider NeighborWorks Salt Lake who implements the HRLP.

Salt Lake County distributes CDBG funding through a reimbursement process. Therefore, the RDA will fund the HRLP program upfront with restricted affordable housing funds and request reimbursement from Midvale City, who will request reimbursement from Salt Lake County.

G. CONSIDER RESOLUTION NO. 2024-33RDA APPROVING A RIGHT OF FIRST REFUSAL AGREEMENT BETWEEN THE REDEVELOPMENT AGENCY OF MIDVALE CITY AND HIVE HOLDINGS GROUP, LLC FOR THE PROPERTY LOCATED AT 7711 S MAIN STREET, MIDVALE UT 84084.

Nate Rockwood said In August 2022, the Redevelopment Agency of Midvale City (the "Agency") provided a loan of \$250,000 to Hive Holdings Group, LLC, through the Main Street Revolving Loan Program to assist with the purchase of the theatre located at 7711 S. Main Street, where The Pearl Theatre currently operates. This property has been an important cultural asset for the community throughout the history of Midvale's Main Street, hosting numerous cultural events under various names, including The Burk Theatre, The Iris Theatre and Comedy Circuit, among others. The Agency is now considering entering a Right of First Refusal (ROFR) Agreement with Hive Holdings Group, LLC, and is bringing the agreement before the RDA Board for discussion.

The primary purpose of this ROFR Agreement is to enable the Agency to preserve the theatre's operations as a theatre and performance venue and that it remains an essential cultural and community asset in the event the building is ever put up for sale in the future. This ROFR also allows the RDA to confidently invest additional funds into the preservation and reconstruction of the theater façade which is of significant importance to the revitalization of Main Street and the placemaking efforts in the creation of the Midvale Main Arts, Food & Culture District. Understanding the impact that the theater marquee and blade sign will have on both the activation of the theater space and the activation of Main Street itself, the owners have agreed that all proceeds from the ROFR, along with the façade improvement grant will go into the theater's façade.

Key Provisions:

- Grant of Right of First Refusal (ROFR):
 - Hive grants the Agency a ROFR on any sale of the property, allowing the Agency the opportunity to match any third-party offer before Hive can proceed with a sale.
- Notification and Exercise Period:
 - If Hive receives a bona fide purchase offer it wishes to accept, it must notify the Agency within 15 days and provide full details of the offer.
 - The Agency then has 30 days from receipt of the notice to exercise its right to purchase the property under the same terms as the third-party offer.
- Due Diligence Period:
 - Upon the Agency's notice of intent to purchase, it will have 120 days to conduct due diligence, including property inspections and assessments. All payments provided in the ROFR agreement, and any remaining loan amount would be deducted from the sale price. The agreement allows

the Agency to terminate the agreement if the property is deemed unsuitable.

- Financial Considerations and Contributions:

- The Agency previously loaned Hive \$250,000 at a 1.75% interest rate for property renovations. These funds were used as intended to purchase the property and renovate the internal theater space. The owners are current with all loan payments.
- In order to expedite the restoration of the theater's façade, the Agency will contribute a total of \$164,048.97 towards façade and sidewalk improvements, including:
 - \$50,000 from the Façade Improvement Grant Fund.
 - \$15,807 in waived interest on the loan (this will match current loan program guidelines).
 - \$97,661.97, for the ROFR, contingent upon the Agency's approval of the façade restoration plans.

- Third-Party Purchase Provision:

- If the Agency opts not to exercise its ROFR, Hive may sell the property to the third-party offeror within 60 days. If the sale does not close within this period, Hive must provide a new ROFR notice to the Agency for any subsequent offers.

- Expiration of ROFR:

- This agreement remains in effect until the Agency purchases the property, or the property is sold to a third party within the specified timeframe.

- Release Option:

- The Agency may waive its ROFR if a third-party buyer agrees to maintain the property's façade and continue the property's use as a theater and performance venue.

FISCAL IMPACT:

The ROFR Agreement entails specific fiscal impacts for the Agency. Initially, the Agency committed \$250,000 to Hive at an interest rate of 1.75% for property renovations, the \$15,807 in interest will be waived as part of this agreement with those funds being committed to the façade. Additionally, the Agency will contribute \$50,000 through the Façade Improvement Grant Fund, along with an additional \$97,661.97 needed to secure the ROFR and fund the proposed improvements, contingent upon the Agency's approval of restoration plans.

If the Agency Board chooses to exercise its right to purchase the property, it will match any third-party offer price, applying all previously contributed funds (such as grants, loans, and waived interest) toward the purchase price, effectively reducing the Agency's out-of-pocket expense at the time of acquisition. Alternatively, should the Agency waive its right to purchase, there would be no additional fiscal impact beyond the initial investments. In such a scenario, the property may be sold to a third party, provided that the buyer agrees to maintain the property's historic façade and continue its use as a theater and

performance venue. In all scenarios the façade easement would run with the property in perpetuity or until removed by the RDA Board.
