Subject: [EXT:]Public Hearing Notice Response

Good Evening,

This email is in response to a public hearing notification in regards to a conditional use permit by Jin-Xiang Yu to operate a home business with clients (Music Educator/Performer-Beyond 2135, LLC)

We are Jin-Xiang Yu's neighbors directly to the South of the home she would like to operate the business. We are in full support of the conditional use permit requested. They are wonderful, considerate neighbors and the community is better with the work and service provided through her home business. .

Thank you for your consideration,

Jennifer and David Coleman
