Background/Discussion:

The Utah County Winter Response Task Force has unveiled its Winter Response Plan for the 2024-2025 winter. Fiscal Impact:

Vineyard City agrees to make a financial contribution in support of the Utah County Winter Response Task Force and its Winter Response plans in the amount of \$2,000.00. This amount was approved as part of the FY 2025 Budget Amendment 1 which was adopted by the city council on 11/13/2024.

(Resolution 2024-30)

Department: Administration

Presenter: Natilee Allen

Background/Discussion:

As Vineyard City approached its contract renewal date with its existing IT service provider, staff determined that it was in the best interest of the city to seek a new provider. During the RFP period, the city reviewed 26 proposals and was able to narrow down prospective service providers using the following criteria:

Cybersecurity Services
IT Support Services
Training and Compliance
Past Performance
Company Background
Budget Proposal

After careful consideration of all qualified respondents, it was determined that Onward Technology was best suited to meet the city's needs.

Fiscal Impact:

No more than \$90,000.00

Recommendation:

Vineyard City Staff recommends awarding the contract for IT services to Onward Technology.

Sample Motion:

"I move to adopt Resolution 2024-30 as presented."

VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: December 11, 2024

Agenda Item: PUBLIC HEARING - Adoption of Ordinance for salary increases (Ordinance 2024-17)

Department: Administration

Presenter: Eric Ellis

Background/Discussion:

The Finance Director position at Vineyard City is a statutory role, and compensation for such positions must be established through an ordinance, as required by Utah Code §10-3-818. Following a public hearing on December 11, 2024, the City Council is being asked to approve a recommended salary adjustment for the Finance Director.

This adjustment aligns with the terms outlined in the Finance Director's promotion and offer letter, which included a provision for a salary review upon the successful completion of the Government Finance Officers Association (GFOA) certification program.

Fiscal Impact:

The proposed increase of \$5,000 may have a fiscal impact. While a budget adjustment is not being requested at this time, vacancy savings may be used to cover this cost. Should additional adjustments be necessary, a budget amendment will be proposed at a future date.

Recommendation:

Staff recommends approval of the ordinance to increase the annual compensation for the Finance Director from \$106,825.68 to \$111,825.68, reflecting a \$5,000 adjustment. This increase acknowledges the completion of the GFOA certification program and is consistent with the commitment made in the offer letter.

Sample Motion:

I move to adopt Ordinance 2024-17, approving the recommended salary increase for the Finance Director as presented.

Costs incidental to needed studies or potential assessments may be incurred during the transitional period and will be divided among the four cities based on the current population estimates found in the most recent sales tax report from the state.
