ITEMS FOR DISCUSSION/APPROVAL

LAND PURCHASE AGREEMENT BETWEEN MORGAN CITY REDEVELOPMENT AGENCY AND REVABA MORGAN LLC, D/B/A COMFORT INN & SUITES®, FOR THE PURCHASE OF PROPERTY LOCATED NEAR THE INTERSECTION OF 125 NORTH 425 EAST, AND 215 COMMERCIAL STREET, MORGAN, UTAH – RESOLUTION R24-40

Ty Bailey, Executive Director, explained that the Land Purchase Agreement was negotiated to secure property for the Commercial Street Alleyway Project. He said the arrangement included acquiring a portion of land on a bend in coordination with a new hotel owner's purchase of the hotel from the bank. He stated that the Economic Development and Incentive Agreement, which was the next item on the agenda, provided for the purchase of the property for Ten Dollars ($10.00)

Board Member Alexander asked if the hotel property had been purchased.

Ty stated not until the transaction closed at the end of December. He said the City would use the same title company so the transactions will happen simultaneously. He said the City would put in the improvements pursuant to the Agreement.

Board Member Alexander stated there were a lot of moving parts with the Commercial Street Alleyway Project and he asked what would happen with this property if the Alleyway Project didn't move forward. He asked if the City would make the improvements to this property anyway.

Ty stated the minimum the City would do would be a cul-de-sac. He said he had purchased the properties in sequential order so there were no gaps. He said he also has a verbal confirmation on the last two parcels.

MOTION: Board Member Richins moved to adopt and approve Resolution R24-40 – A resolution adopting and approving a Land Purchase Agreement between Morgan City Redevelopment Agency and REVABA MORGAN LLC, d/b/a Comfort Inn & Suites®, for the purchase of property located near the intersection of 125 North 425 East, and 215 Commercial Street, Morgan, Utah; Authorizing Ty Bailey, Executive Director, to conduct further negotiations for the completion of the transaction.

SECOND: Board Member Turner

Discussion on the Motion: No discussion.

RESOLUTION ADOPTING AND APPROVING AN ECONOMIC DEVELOPMENT INCENTIVE AGREEMENT BETWEEN THE MORGAN CITY REDEVELOPMENT AGENCY, MORGAN CITY, AND REVABA MORGAN LLC, D/B/A COMFORT INN & SUITES® – RESOLUTION R24-41

Ty explained the Economic Development and Incentive Agreement was the same agreement that was entered into with the previous hotel owner. He stated this Agreement was amended to allocate the remaining Seven Hundred Seventy-Five Thousand Dollars ($775,000.00) from the original commitment to the new hotel. He explained that the time frame was adjusted from the previous 10-year term, as the hotel's construction had been delayed by one to two years, affecting the initial payment schedule. This revised Agreement streamlined the process by front-loading payments in the first few years and scaling back

thereafter, aligning the timeline and financial structure to meet current needs without requiring additional renewal or adjustments through the City.

Board Member Alexander asked if the remaining amount was Seven Hundred Seventy-Five Thousand Dollars ($775,000.00) what was the initial amount with the prior hotel owner.

Ty stated the entire package was $1.2 Million dollars, which also included hookup fees, the amount out of pocket was approximately Nine Hundred Ninety Thousand Dollars ($990,000.00) and then the RDA paid One Hundred Twenty-Eight Thousand ($128,000.00) per year to the hotel until now.

Board Member Alexander asked why the amount increased to One Hundred Seventy-Five Thousand Dollars ($175,000.00) in the new agreement.

Ty said it was increased to avoid overextending the RDA's lifespan. He said the decision was made to compress the time frame to keep it within the RDA's current term, as a renewal decision could not be made at this point. He said the payment would be made when they transferred the land.

Discussion regarding first initial payments to the new hotel owners. The decision to front-load the funds was made to secure the deal, as the developers' hotel purchase was contingent on receiving the grant dollars. The incentive package included the land provided for Ten Dollars ($10.00) and was structured so that almost forty-five percent (45%) of the incentive would be delivered within the first 60 days. This approach was taken because the developers needed to make substantial improvements to convert the property into a Comfort Inn & Suites, including upgrades to each door. During negotiations, it was agreed to front-load the funds rather than increasing the total amount, as this would make the deal more attractive to the developers and reduce the risk of them backing out of the purchase. Also, Comfort Inn & Suites was giving them five years to make all of the improvements and meet all of their requirements.

Board Member Alexander pointed out some dates in the Agreement which needed to be changed. Also, under Article 3 – Incentives he suggested the removal of the wording 'the City' in paragraph one and changing 'City' to 'RDA' in paragraph 1.a.

Ty explained the hotel was assessed property tax by the County and paid it in full to the County, the primary taxing entity. Property tax payments were collected from every property within the Redevelopment Area (RDA), including those for the County, School District, City, and Library. Under the RDA structure, 75% of the total tax revenue collected within the RDA was allocated to fund local projects within the RDA. If the hotel failed to pay the County their full amount of property tax the RDA wasn't required to pay them the incentive amount.

Discussion regarding the advertising capability of Comfort Inn & Suites versus Cobblestone. Council Member Turner said when he travels he specifically finds hotels which give incentives.

MOTION: Board Member London moved to adopt and approve Resolution R24-41 – A resolution adopting and approving an Economic Development Incentive Agreement Between Morgan City, the Morgan City Redevelopment Agency, and REVABA HOTEL, LLC, d/b/a Comfort Inn & Suites® and changing the acquisition date in paragraph 8 to December 31, 2024, changing the termination date in paragraph 11 to February 15, 2025, removing the language 'and City' from Article 3 – Incentives, and changing City to RDA in paragraph 1.a. in Article 3 – Incentives.

    a. Suspend its performance under the Amended Agreement until the non-defaulting party receives assurances from the defaulting party, deemed adequate by the non-defaulting party, that the defaulting party will cure its default and continue its performance under the Amended Agreement.

    b. Take whatever action, including legal or administrative action, which may appear necessary or desirable to the non-defaulting party to collect any payments due under this Amended Agreement or to enforce performance and observance of any obligations, agreement, or covenant of the defaulting party under this Amended Agreement.

4. Neither party shall be considered in default under this Amended Agreement if their performance is delayed by damage or destruction by fire or other casualty, condemnation, strike, lock-out, civil disorder, war, shortages or delays in delivery of equipment, materials or fuel, Acts of God or unusual weather conditions or other causes beyond such party's reasonable control, and the time for performance of obligations shall be extended by one day for every day of such delay.
