BOARD OF CANVASS

16. #933/2024. **Canvassing of the November 5, 2024 General Election — presented by Brian McKenzie, County Clerk**

Clerk McKenzie said he is excited to finalize this very big and busy election cycle. Before presenting the report, Clerk McKenzie expressed his sincere gratitude for his tremendous and dedicated staff who worked tirelessly, including early mornings and late nights, to ensure the election ran well. He also thanked the Auditor's Office, Human Resources Office, the Davis County Sheriff's Office, and the Information Systems department for their assistance during the election. He then thanked the employees of the Administration Building who dealt with a large influx of citizens in the building and the inconveniences that may have caused.

Clerk McKenzie went through the Board of Canvass report [see Attachment B] with the following explanations:

- **Pre-Election Audit Test and Audit Report** - the Board of Canvass representative for this audit was Treasurer Mark Altom as none of the Commissioners were available. During this audit, all the equipment was tested along with each ballot type.
- **Zero Reports from the Pre-Election Audit** - these reports show the results of the audit; the numbers matched exactly as they should.
- **Ballots Not Counted Report** - this report includes both provisional and by-mail ballots. The vast majority of by-mail ballots which failed to count because the individual’s signature did not match what was on file and, despite being given multiple opportunities, the voter did not rectify the situation. Most of the provisional ballots did not count because the voter failed to provide sufficient proof of residency or identity by the required deadline.

COMMISSIONERS' MINUTES – DAVIS COUNTY

- **Reconciliation Report** - this is a compilation of all the required reconciliations. Clerk McKenzie said the numbers rarely matched and likened it to counting bees in a beehive: a near impossible task. He did acknowledge there is a current discrepancy between the vote histories that the election staff is working with the State to correct. The County's database is not transferring correctly to the State's database, causing the issue. He anticipates it will be resolved by the end of the day.
- **Canvass Statistics** - this report is required by State statute and is a summary of ballots sent and received.
- **Post-Election Audit Certification Report** - this audit includes doing a hand count of the ballots. There were 24 individuals, called citizen auditors, who came in to conduct that count. The member of the Board of Canvass who attended this audit was Assessor Andy Hansen as all three Commissioners were unavailable. The Lieutenant Governor's office provides a list of what is to be audited to the Board of Canvass member about 15 minutes before to provide a measure of transparency and independence during the audit process. There were no discrepancies discovered during the audit.
- **Official Results** - Clerk McKenzie then read the summary results report for all of the general election races.

Following the reading of the results, Commissioner Stevenson asked if there were any poll watchers in the Administration Building on election night. Clerk McKenzie said all Election Day poll watchers were at the polling locations; they had anticipated having one poll watcher at the Administration Building but the individual did not come. He did say there were poll watchers who came before and after Election Day.

VOTING

Motion to Approve Item 16: Lorene Miner Kamalu. **Second:** Randy B. Elliott. All present voted aye.

[The Board of Canvass reconvened from 1:10-1:12 PM on Nov. 19, 2024. Rather than presenting the minutes in strict chronological order, it was decided to group them topically for easier reference. Accordingly, the minutes from the reconvening are directly below, even though chronologically they happened after the Regular Commission Meeting was adjourned. Commissioners Stevenson and Elliott attended via telephone; Commissioner Kamalu was present in Room 303.]

Clerk McKenzie said during the initial Board of Canvass, the election staff discovered some unassigned write-in votes in the President, Senate and Governor races. The write-ins for the President and Senate races were classified as "Non-Valid Write-Ins." Nine were in the Governor race where six were classified as "Phil Lyman" and the remaining three were "Non-Valid Write-Ins." Clerk McKenzie said he has updated the summary report to show those changes and asked the Board of Canvass accept these updated results as the official results, that would be sufficient. Clerk McKenzie thanked the Board for accommodating this reconvening and apologized for the small error.

VOTING

Motion to Approve the Updated Board of Canvass Report: Lorene Miner Kamalu. **Second:** Bob J Stevenson. All present voted aye.

Motion to reconvene Commission Meeting: Randy B. Elliott. **Second:** Lorene Miner Kamalu. All present voted aye.

CLOSING REMARKS

Commissioner Kamalu thanked the Clerk McKenzie and his amazing team. She said no one does it better than Davis County.
