

RESOLUTION 2024-10

**A RESOLUTION OF THE BOARD OF TRUSTEES OF THE RANGE
INFRASTRUCTURE FINANCING DISTRICT APPROVING A FINAL BUDGET FOR
CALENDAR YEAR 2025**

WHEREAS, the Board of Trustees of the Range Infrastructure Financing District (the "District") had previously adopted a tentative 2025 Calendar Year Budget pursuant to the provisions of Section 17B-1-607 of the Utah Code Annotated; and

WHEREAS, the Board of Trustees has conducted a public hearing on the proposed budget as required by law; and

WHEREAS, the proposed budget maintains unchanged the previously adopted ad valorem tax rate at 0.0000 (Zero) for all taxable property in the District.

NOW, THEREFORE, be it resolved by the Board of Trustees of the District:

1. The Board of Trustees of the District hereby approves a final budget for calendar year 2025, attached hereto, and retains unchanged the previously approved at 0.0000 (Zero) ad valorem tax rate for 2025.

ADOPTED and EFFECTIVE this 10th day of December 2024.

**RANGE INFRASTRUCTURE FINANCING DISTRICT
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

On June 20, 2024, a petition was filed with the Morgan County Clerk (the County) for the creation of the Range infrastructure Financing District (the District), acting in its capacity as the creating authority for the District. The County reviewed the petition and its accompanying documents, and concluded that it complies with Utah Code. The Office of the Lieutenant Governor of the State of Utah issued a Certificate of Incorporation for the Districts on August 19, 2024, which was recorded in the real property records of the Morgan County Recorder on August 29, 2024.

The District was established to provide financing for infrastructure improvements to facilitate development within the boundaries of the Districts. The District has the power to issue bonds for the purpose of paying all or part of the costs of acquiring, acquiring an interest in, improving, or extending certain public improvements, facilities, or property.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 3.5%.

Bond proceeds

The District issued Series 2024 Special Assessment Bonds on October 1, 2024.

Developer Advance

The District is in the development stage. As such, administrative expenditures may be funded by the Developer prior to the date in which revenues become available. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

The Assessment Ordinance

Pursuant to the Assessment Ordinance, the District will levy assessments on the Assessed Properties (the "**Assessments**"). The Assessed Properties include only those properties that are benefitted by the Public Improvements. Each Assessment or any part or installment thereof, any interest accruing on the Assessment and any penalties, trustee's and attorney's fees and other costs of collecting the Assessment shall constitute a lien against the property upon which the Assessment is levied from and after the date on which the Assessment Ordinance becomes effective. The Assessment Ordinance imposes a lien against all the Assessed Properties. If a Property Owner fails to pay an Assessment with respect to a particular parcel of Assessed Property, that particular parcel of Assessed Property would be subject to

**RANGE INFRASTRUCTURE FINANCING DISTRICT
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

foreclosure as provided in the Assessment Area Act. Under the Assessment Area Act, the lien of the Assessments is superior to the lien of any trust deed, mortgage, mechanic's or materialman's lien or other encumbrances filed in the State and will be equal to and on a parity with, the lien for general property taxes levied in the State.

Expenditures

Administrative Expenditures

Administrative and operations expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, district management, insurance, and other administrative expenses.

Debt and Leases

On October 1, 2024, the District issued Special Assessment Bonds Series 2024 in the amount of \$6,515,000. The Bonds bear interest at 5.500% payable semi-annually on June 1 and December 1 and are subject to mandatory sinking fund redemption beginning December 1, 2029. The Bonds mature on December 1, 2053.

The Bonds are not a general obligation of the District, but are payable exclusively out of the funds described in the Indenture. The District shall not be liable for the payment of the Bonds, except from (i) moneys collected from the levy of Assessments against the properties benefited by the Public Improvements pursuant to the Assessment Ordinance, (ii) moneys collected by the District from the foreclosure of Assessed Properties, and (iii) other funds created under the Indenture as described herein (collectively, and as previously defined, the "**Assessment Revenues**"). Among other remedies, the District may initiate sale of the delinquent Assessed Property in the same manner as for delinquent property taxes or by judicial foreclosure.

The District has also provided additional security for the Bonds by funding a Reserve Account within the Reserve Fund for the Bonds. Proceeds of the Bonds have been deposited into the Reserve Account in the amount of the Debt Service Reserve Requirement. "**Debt Service Reserve Requirement**" means with respect to the Bonds, an amount initially equal to \$358,325.00. The Debt Service Reserve Requirement will be reduced as Assessments are paid or prepaid as described in the Indenture, but not to an amount less than 5.5% of the principal amount of the Bonds then Outstanding, after taking into account the redemption of Bonds related to prepayments.

This information is an integral part of the accompanying budget.
