LANDMARKS COMMISSION DISCUSSION

Key points discussed by the Landmarks Commission included the following:

- The Commission discussed the CLG grant details and the library director, Carla Gordon, answered questions about the condition of the library and the plans to repair the historic building. The plan is to replace the stairs that have not held up well. If there is enough funding then they will also address the repair needs on the cast concrete capstones too. The focus is on the stairs at this time because of safety concerns and because they will be the closest fit to the matching grant.
