----------------------------

**B. ACTION ITEM: REVIEW AND APPROVE OCTOBER 2024 FINANCIALS**

She stated that no payment had been made to the PTIF as the transition to AMCS billing was in progress. Lily Houghton reported that operational expenses were higher in the month of October 2024 due to increased repair and maintenance costs as well as higher fuel expenses, lease payment for the motor grader, and equipment rental at the Moab Landfill. She also mentioned miscellaneous expenses such as the quarterly HHW collection, used oil program collection, and renewal of software for the Motive cameras for the curbside collection fleet.

<b>REPORTS FROM BOARD AND STAFF</b>
-------------------------------------

**C. STAFF REPORTS**

Chris Scovill provided a detailed staff report stating that he and Lily Houghton had completed the HR training program and expressed appreciation to the quality and applicability of the training and indicated that issues continue to arise with the AMCS software implementation and data transition. He provided operational updates for each facility and collection services, including updates on equipment and fleet concerns. A discussion on the potential necessity of truck rentals and service interruptions due to fleet vehicle breakdowns ensued. Chris Scovill stated he had met with an individual who previously ran a recycling facility in Grand Junction, Colorado and was discussing potential collaboration with their recycling expertise. He stated that landfill closure and post-closure costs were outdated resulting in significantly higher costs than originally calculated and suggested researching ways to address this shortage. A brief discussion on the necessary repairs for the motor grader ensued.

Lily Houghton provided a staff report with a brief update on the AMCS transition while stating the pros and cons that have been encountered during the process and indicated there was no current update on the Verifone system. She echoed Chris Scovill's update on completing the HR training and stated that free training of progressive discipline for management level staff would be coming up in December.

Jessica Thacker provided a brief staff report stating the Fall Voucher Program was ongoing until November 23<sup>rd</sup> and recounted her and Chris Scovill's attendance of the RCU Fall Conference in Sandy, Utah. She also stated that the District intended to apply for the upcoming EPA SWIFR grant and Mike Duniway offered assistance in the

application process, as needed. She also stated that she had begun research on required state reporting for special service districts.

Nick Lundberg provided a brief staff report by describing how revenues and expenses were generated for the upcoming proposed budget and indicated that amendments to the current budget for fiscal year 2024 was not anticipated. A brief discussion on budget noticing requirements ensued. Chris Scovill expressed appreciation to Nick Lundberg for attending in-person and taking the time to explain the budget process face-to-face with the Board members.

#### **D. BOARD REPORTS**

No Board reports were given.

<b>OLD BUSINESS</b>
---------------------

#### **E. *DISCUSSION ITEM: 2025 BUDGET***

Nick Lundberg provided a detailed historical background on the structure and development of the budget and explained each section (revenue and expenditure) by providing how each number was proposed, the makeup of each line item, and the necessity of including said budget item.

#### **F. *DISCUSSION/POSSIBLE ACTION ITEM: EMPLOYEE LOAN PROGRAM/CREATION OF EMPLOYEE REIMBURSEMENT PROGRAM***

Lily Houghton provided a brief background on this agenda item plus expanding on the suggestion of the creation of an employee reimbursement program. Nick Lundberg provided some financial data for the employee loan program. Ashley Wareham indicated no support for the loan program due to its perceived level of risk but expressed support of the reimbursement program as a more appropriate program. Lily Houghton stated that in 2025 the District will be offering an Employee Assistance Program and that our payroll company does offer advance payment but had currently opted out of this option. A discussion on how to strengthen the terms of the loan by increasing collateral or a more stringent approval process ensued.

<b>NEW BUSINESS</b>
---------------------

#### **G. *ACTION ITEM: ELECT OFFICERS***

Lily Houghton stated that Mary McGann had only intended to fill the Board Chair vacancy for a temporary amount of time and that a new Chair needed to be selected.

**MOTION: LJ Blackburn motioned/Ashley Wareham seconded to nominate Colin Topper as Chair.**

**AMENDED MOTION: Diane Ackerman motioned/Mike Duniway seconded to nominate Colin Topper as Chair and LJ Blackburn as Vice Chair. Colin Topper, Mike Duniway, Ashley Wareham, LJ Blackburn, and Diane Ackerman voted yes. Motion passed 5-0.**

**H. *DISCUSSION/POSSIBLE ACTION ITEM: AMEND INTERLOCAL AGREEMENT WITH CITY OF MOAB***

Lily Houghton stated that residents had indicated difficulty with the opt-in/opt-out clause in the Interlocal Agreement changing from bi-annually to annually and encouraged the Board to consider reverting back to bi-annual. Chris Scovill stated that he had spoken with the City Manager regarding the clause and its specifics. A brief discussion on the reasoning behind the months selected for the opt-in/opt-out clause ensued. Colin Topper left at the end of this discussion item.

**MOTION: Mike Duniway motioned/Ashley Wareham seconded to modify the Interlocal Agreement for decreases in services from July to include February and October starting in 2025. Mike Duniway, Ashley Wareham, LJ Blackburn, and Diane Ackerman voted yes. Motion passed 4-0.**

**I. *DISCUSSION ITEM: REVIEW 2025 HOLIDAY SCHEDULE AND 2025 BOARD MEETING DATES***

Lily Houghton provided a brief summary of how the 2025 Holiday Schedule and Board Meeting dates were decided and any adjustments that were made from 2024.

**J. *DISCUSSION/POSSIBLE ACTION ITEM: ADD DISTRICT MANAGER AS EMERGENCY SIGNER***

Lily Houghton provided a brief summary of this agenda item and stated that she had spoken with the District auditors who indicated that adding the District Manager as an emergency signer could only be done during special circumstances: under \$10,000 and only on the payroll account. A brief discussion on special circumstances that would trigger the necessity of the District Manager to act as an emergency signer ensued. The Board requested a written procedure to review at a later date.

**K. *DISCUSSION ITEM: MOAB VALLEY FIRE DEPARTMENT MOU***

Chris Scovill provided background on the Moab Valley Fire Department's request to have their trash fees waived stating that the Department had not previously paid for services under the previous owner of curbside trash collection services (prior to the District's acquisition). He stated that the District shares a beneficial partnership with the Department, but agreed that allowing this waiver would create a precedence for other public entities to submit a similar request. Diane Ackerman reminded all attendees that the District had previously denied a similar request to the Community Rebuilds and would appear inconsistent in its policies. No further discussion or consideration of action was taken.

### **Agenda Item B Summary 1.15.25 Meeting**

Presenter: Lily Houghton

#### **Need or issue before the Board:**

Approval of Expenditure for the Month of December

#### **Background:**

December expenses were lower than November (3 payroll month). One payment to the PTIF fund

Payroll expenses were \$244,705.91.

- Payroll has been lower for months, which has become normal, as the District has been understaffed for months. Since mid-2024 we have been short several positions (2 drivers, heavy equipment mechanic, operator)

So, while \$90K/payroll has become normal it is not fully capturing the labor needed to run the District. This is starting to be offset with temp labor from Elwood Staffing.

- 12/13 payroll: \$95,516.06
- 12/27 payroll: \$96,204.64
- 
- Operations expenses were \$132,862.10
  - Fuel expenses \$20,101.18
  - Total R&M: \$28,235.90
  - Engineering expenses: \$18,427.75 (several invoices not received until December)
  - Temp labor: \$15,218.23

**Attachments:** December 2024 Expenditure Report

#### **Recommendation:**

Motion to approve the expenditures of the month of December 2024 in the amount of \$486,080.65
