

ELECTION NOTICE

To all qualified electors of the Provo City School District, Utah:

Take notice that on November 4, 2014, a special bond election (the “Bond Election”) will be held in the Provo City School District, Utah (the “District”), in conjunction with the general election to be held that day at the places set out below for the purpose of submitting to the qualified electors of the District the proposition contained in the following ballot proposition:

OFFICIAL BALLOT PROPOSITION FOR THE PROVO CITY SCHOOL DISTRICT, UTAH SPECIAL BOND ELECTION

NOVEMBER 4, 2014

/s/ Stefanie Bryant
Business Administrator

PROPOSITION

Shall the Board of Education (the “Board”) of Provo City School District, Utah (the “District”), be authorized to issue General Obligation Bonds in an amount not to exceed One Hundred Eight Million Dollars (\$108,000,000) (the “Bonds”) for the purpose of paying all or a portion of the costs of (i) acquiring land; acquiring, constructing, furnishing and equipping new school facilities, and improving existing facilities; and related improvements; and (ii) authorization and issuance of the Bonds; said Bonds to be due and payable in not to exceed twenty-one (21) years from the date of issuance of the Bonds?

Property Tax Cost of Bonds: The District has other outstanding bonds for which a tax decrease would occur upon the retirement of such bonds. However, these outstanding bonds reduce over time such that the incremental property tax increase due to the issuance of the Bonds on residences and businesses within the District is not expected to increase from current levels more than \$9.24 per month or \$110.88 per year on a \$210,000 residence and in the estimated amount of \$16.80 per month or \$201.60 per year on a business property having the same value.

If the Bonds are issued as planned, (and without regard to the existing taxes currently paid for existing bonds that will reduce over time) a property tax to pay debt service on the Bonds will be required over a period of twenty (20) years in the estimated amount of \$17.96 per month or \$215.52 per year on a \$210,000 residence and in the estimated amount of \$32.66 per month or \$391.92 per year on a business property having the same value.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the District may be required to levy in order to pay debt service on the Bonds. The District is obligated to levy taxes to the extent provided by law in order to pay the Bonds.

AGAINST THE ISSUANCE OF BONDS (NO)
