

Recommended Process for Trail to Tomorrow Strategic Plan Prioritization & Adoption

*Grand County Economic Opportunity Advisory Board - Special Workshop
November 7, 2024*

Step 1	Step 2	Step 3	Step 4
Familiarization EOAB and staff comprehensively review the Trail to Tomorrow (TTT) strategic plan and the “Healthy Economy” section of the county’s General Plan. The TTT and a revised Healthy Economy section should be approved by the commission in tandem , with the TTT serving as an appendix to the new section.	Propose Changes & Direction EOAB and staff propose changes to the Healthy Economy section in line with the TTT strategic plan. EOAB and staff design an action plan to carry out the TTT, possibly modeled on a 1-3-5 year plan, or similar, and aligned with TTT recommendations .	Final Reviews Planning and Zoning reviews Healthy Economy section changes, assists in public hearing process (required of any General Plan revisions). EOAB and staff solidify TTT action plan with relevant stakeholders.	Commission Approval Grand County commission reviews, provides input, and approves the new Healthy Economy section and the TTT strategic plan. EOAB revises bylaws to feature TTT language, including duty to provide public progress reports on TTT action plan .
