
January 2025 Event Assessment

Wasatch County Team Roping Night

Our team roping night has been very successful this month. We have had around 25 participants. The Jr high school rodeo team has been helping us out with the labor associated with this event. We have been able to send our staff home while the parents and rodeo team have taken care of the rope night with our guidance. We have had Tanner Sagers stay and oversee the rope night. We have had several people from the lower valley, Wyoming and many local Team roping enthusiasts.

Steer wrestling:

Because of the time constraints on team night, we have had the steer wrestlers practice after the team roping night. It takes about an hour to get through all the athletes

Open Ride: this has been our busiest year for open ride. We have been averaging around 75 to 85 horses per day nonstop. We truly do have one of the nicest facilities in the country.

Las Vegas Productions (Jordon World Circus)

Two great shows with all that you expect from a big city Circus. Not quite as busy as we have been in the past. A total of around 1200 guests. I will talk to the circus and find out what they did to promote.

The image shows a dark, textured book cover, likely black or very dark grey. The texture appears slightly grainy or mottled. In the upper left quadrant, there is a small, light-colored, irregular mark or smudge. The overall appearance is that of a plain, possibly leather or cloth-bound book cover.

High School Basketball

140 Participants

High School Basketball League started November 26th. We have a Freshman/Sophomore League and Jr/Senior League. This year we have 18 total teams. We hold a draft night the first night, where we select team captains to draft their own team. This makes it really fun for the kids and also gives the kids a chance to make new friends.

We coordinate score keeps and refs for the games each week. As well as make sure courts ready for games and set up score boards beforehand. We will take care of any problems that come up throughout the night and make sure everything runs smoothly from start to finish. This is a great league and really fun to watch the high school kids play against their friends.

Tennis

150 Participants

Winter session is January 6th- February 21st. Tennis is taught by Bill Damron of Timp Valley Tennis. Bill teaches classes Monday through Friday from 2:30-5:30pm. Tennis is offered to kids 1st grade through high school. Kids are checked in everyday to make sure everyone who is attending class has registered and signed our liability waiver.

Womens Classes are taught Monday-Thursday 9:00AM-12:00PM.

Jr. Jazz

531 Participants

Expanded Jr. Jazz (2nd-4th Grade Boys and 2nd-3rd Grade Girls):

Jr. Jazz started on January 8th and will go until February 12th. Games start at 5PM and go until 8PM on all of our basketball courts.

On the first night of Jr. Jazz we gave all the coaches jerseys to hand out to the kids who ordered them. We then have the teams practice for the first 15 minutes of each game. After 15 minutes the kids then play a game against the opposing team. We hand out colored wristbands to help the kids understand how to guard the same color wristband. We will walk around to make sure games are going and answer any of the questions that may come up. After the hour is up, we will go make sure all games have ended and the next group of kids will take the court with their coaches.

This year we have had a great group of coaches that are putting in extra time with the kids and holding practices.

Jr. Jazz (5th-8th Grade Boys and 4th-8th Grade Girls):

Jr. Jazz started on January 4th and will go until February 15th. Boys start at 8AM and go until 9:30AM. Girls start at 9:30AM and go until 11AM. On Saturdays we use 5 of our basketball courts.

This program is awesome because of the support we get from our high school basketball teams. Every morning the coach and players from the boys and girls teams instruct our players for the first 45 minutes. They teach them new drills and work with them on improving their games.

After the first 45 minutes we break into games and the high school players then ref the basketball games for the kids.

This year we have had a great group of coaches that are putting in extra time with the kids and holding practices.

We have now started to notice the growth in our community, in most of our programs. This program continues to expand every year. We are using every court in our facility to cover the number of kids registered in most age divisions.

Ceramics

22 Participants

Ceramics painting has become a popular class. We have added additional classes to get more kids in. Kids pick their project and spend the class time painting it. We plan on having some fun Holiday Themed classes as we finish out the year.

Men's Basketball

140 Participants

We have 14 teams in the league this year. Most of the teams are sponsored by local businesses that have their employees play as a team building activity. Games are played on Monday nights from 7:00 - 10:00 on court 2 and court 4, 6 games a night. The cost to get into the league is \$650 per team. We arrange for the referees and scorekeepers each week. We try and run a 3-man crew of refs on each court and 2 score keeps.

Gymnastics

4 Participants

Classes are taught By Josh Schneiter (Head). We have 8 different class being taught here at the Rec Center, classes are on Wednesdays and Thursday's 4-6PM. Cost for class ranges from \$75 to \$85 depending on the class for the 4 week session. Classes are taught on Court 6.

WPT Speed and Agility Clinic

7 Participants

Wasatch Physical Therapy has opened a new facility where they teach speed and agility. They decided to partner with us and offer a few clinics throughout the year with Wasatch County Parks and Recreation. The class was held at their facility, and I received a lot of good feedback.

Hunter Safety

27 Participants

This class is required by the state of Utah and the DNR for kids or adults that would like to get a hunting license. After completing this class, they will receive their “blue card” that will allow them to apply for hunting tag with the state. They attend class for 7 weeks and finish up with a written and shooting test at the end. The shooting test is held at the Gun Club in Daniel. This class is taught by Ed Mason at the Rec. center classroom, cost is \$25. The class runs from January 13th- February 24th on Monday nights from 6-8. We offer about 5 classes a year.

Rec Volleyball Program

67 Participants

This program runs from January to February practicing on Tuesdays and Thursdays from 4:00 to 5:30 each day on courts 3 & 4. The coaches are Stacey Wade, Sydney Holmes and Melanie Burdet. They have all coached for multiple years.

We made a big move in this program this year. We decided to remove all travel for tournaments and keep the program in house. With this change we were able to bring in more participants. In years past we were only able to take around 30 kids. This year we saw the numbers double, and we were also able to lower the cost considerably. The kids will still get to play in matches and will play against each other towards the end of the program. We are excited to see this continue to grow in the future. Parents have been very supportive of the changes, and we are still putting on a high-quality program.

Below are Canceled classes due to low participation:

TEAMMATE TUESDAY

Each Tuesday, a member of our team is highlighted: we just finished working through our event complex crew and the response has been great! Each team member has a vital role and it's important that the community sees that – more so to humanize us and the jobs that are performed. We have been working through our Parks Crew and responses have been great!
