(Timestamp: 1:46)

COMMISSIONER GORDON ANNOUNCED THAT JODY CARLY HAS BEEN SELECTED AS THE UTAH COUNTY EMPLOYEE OF THE MONTH AND READ THE FOLLOWING NOMINATION LETTER.

I would like to nominate Jody Carly for employee of the month. Jody has worked in the Welcome Baby program for many years and previously worked in WIC. Because of her background working in both programs, she is amazing at collaborating with other departments to provide great service to the public. Most recently, she assisted with a baby that was having difficulty with feeding. Jody was able to help one of our staff make a connection with WIC before their office was officially open for the day. The baby was able to get connected to the needed resource extremely fast! Jody is a hard worker along with being very thoughtful and caring. She assists our newer employees with answering questions and uses her strong problem-solving skills to help our clients that have numerous risk factors and needs, by searching until she finds the resources that will best help them. One of her clients is a mom with very limited literacy abilities and Jody worked diligently to ensure this client received the information in a format that made sense and helped this mom increase her knowledge in parenting and developmental milestones for her child. Jody is an asset to our Welcome Baby program!
