BID FOR:

Timberline Special Service District
ATTN: Logan Jones

TIME PERIOD	UNIT	DESCRIPTION	UNIT PRICE	TOTAL
		Office Rate	85/Hr.	
		Machine Operation Rate – TSSD Equipment	85/Hr.	
		Machine Operation Rate – Rental Equipment	90-120/Hr.	

Hourly Rate:

The hourly rate is broken down into Office, TSSD's machinery operation and rental machinery operation. Office Hours will consist of planning, logistics, and the notification of approved projects. The TSSD operation rate will be applied when Race-N-Chase uses TSSD in house equipment. Rental rate will come in once a piece of machinery is rental and RNC in in operation of said equipment. There will be a proposed bid before any project commences, which will have a full break down of services.

Relevant Experience:

RNC has built and maintained numerous miles of mountain bike, hike, and horse trail. Along side trail we have constructed, maintained, and restored miles roads within Park City and Wasatch back. For an example Round Valley Express in Round Valley is a recent project RNC conducted last year installing culverts, grading the road for drainage, and applying a road base topping. With addition of 4.2 miles in Round Valley for the 2025 season, RNC's Heavy equipment is equipped with the attachments required for road construction and maintenance.
