

Notice of intent to prepare and amend a written analysis of proposed impact fees

Spanish Fork City – Utah

May 2010

Notice is hereby given that Spanish Fork City intends to contract the preparation of a written analysis of proposed impact fees. Spanish Fork City is gathering information to conduct an analysis to update its impact fees. The City has contracted with Dwayne Guthrie of TischlerBise to conduct the analysis. The impact fees to be considered will be charged to new development and used to offset the cost of capital facilities to serve new development. These new capital facilities may include Parks, Roadways, Public Safety or Electrical infrastructure.

Those receiving this notice are invited to provide information to be considered in the amending or adopting a written analysis of proposed impact fees and to participate in the preparation or amendment to a written analysis of proposed impact fees.

For more information about the written analysis of the proposed impact fees and the process of its preparation, or to provide information to be considered, please contact the project coordinator:
