### **Meeting Notes:**

- October 2024 Meeting minutes were approved
- 2025 Schedule was reviewed
- Localscapes class
  - Class runs very smoothly now without a lot of our involvement. Need to do promotion.
  - Committee members encouraged to attend
- Tree talks idea discussed - an idea that came from neighboring city - Holladay does it spring and fall
  - This could align with our Draper Forward articles - we can reuse and share with other cities seasonal articles and invited guests
- Draper Forward
  - Articles
  - Matt to talk with Trent - arborist in Herriman
  - Draper city Podcast - we could participate
- Arbor Day
  - Friday evening April 25th or Saturday 26th morning - depending on whether we partner with TreeUtah
  - We split the costs - Tree Utah provided the tools and nutrients
  - Need to confirm location, tree type and number
  - Projects put forward
    - Carlquist - could be a good spot, but for less trees
    - Disc golf course
      - Will be the location of Women's National event
      - Great opportunity to do event with Tree Utah
      - Need to design exact planting spots so we run the water lines
      - Bring irrigation map to next meeting
      - Dave to send Taylor the species originally requested to be purchased
      - 37 trees allocated
      - Specs were: Cottonwood, peach tree willow, box elder, hackberry and privet
    - Smithfield Park
      - Bigger project because need more support to keep trees alive
      - Should maybe table until we have confirmed resources
      - Could be bald Cypress - could do some plantings as a trial
- Neighboring cities tree focused discussed
  - Herriman - has a goal of almost doubling their tree canopy
  - American Urban Forest society recommends 25% canopy
  - Most cities have a dedicated arborist or multiple
  - Dave created a table of information gathered

- Meeting with city council
  - Goal to advocate for full time arborist
  - Maybe Feb 18th, likely 1st March
- Add to next month's agenda - Lone Peak Parkway widening - 12300 to 12650 South and to determine species and spacing for developing frontage
- Move Engineering to front of agenda

**Actions:**

- Initiate usual promotion for Localscapes class - Michelle
- Tree talks idea - Michelle to talk with arborist friend.
- Draper forward articles schedule of seasonal articles that can be reused - Jocelyn
- Matt to talk with Trent, arborist at Herriman about sharing articles
- Whole team to help provide any data on other cities - like Lehi and American Fork
- Look at tree species for golf course and decide if we use the credit with nursery or place new order through Tree Utah
- Close on Arbor Day plans - decide if we do Saturday morning big event with Tre Utah or smaller event as normal

Thanks,
