

Uintah County Library Check Policy

Any person who, in any twelve month period, writes 2 (two) or more checks to the library which are returned for “Non-Sufficient Funds” shall thereafter be required to pay their obligations to the library in cash or by money order. Library card privileges are suspended until all such obligations are paid. If a patron desires to reinstate their privilege of using checks to pay their obligations to the library, they must apply to the board one year after their last bad check was cleared or paid and have no outstanding fines.

Adopted September 24, 2008
