- C.6. Arts Award-** We will be adding a new award that will be given at the Art Show every year. As per the arts master plan, it was suggested that we give out a yearly award that is given to a person or business that is doing great things for the arts community in South Jordan. Arts Council discussed several options, but most members thought that Erin Grimshaw would be an obvious choice for this year. Tiffany will send some info on Erin and we will be sure all members are good with giving Erin the award for 2025.
