

UTAH OPEN & PUBLIC MEETINGS ACT

Utah Code §§ 52-4-101 et seq.

What is OPMA?

- OPMA provides requirements for conducting meetings of public officials, who have the authority to make policy and budget decisions in the public's interest.
- It requires an open deliberative process before a public body votes on matters under its jurisdiction.
- **ALL** votes are taken in public.

What is a Public Body?

Any administrative, advisory, executive, or legislative body of the state or its political subdivisions that:

1. Is created by the Utah Constitution, statute, rule, ordinance, or resolution;
2. Consists of two or more individuals;
3. Expends, disburses, or is supported in whole or in part by tax revenue; **and**
4. Is vested with the authority to make decisions regarding the public's business.

What is a Meeting?

A gathering of a public body or specified body “with a **quorum** present” convened “for the express purpose of acting as a public body or specified body” to receive comment about, deliberate about, or take action upon a **relevant matter**. Utah Code § 52-4-103(5).

Key terms: “quorum” and “relevant matter”

What is a Quorum?

A simple majority of the membership of a public body, unless otherwise defined by applicable law.

What is a Relevant Matter?

A matter “within the scope of the authority of a public body or specified body.”

This is very broad. Any time there’s a quorum, we can assume there will at least be discussion of a “relevant matter.” That makes it a meeting under OPMA.

When in doubt, post notice.

Electronic Meetings

An electronic meeting occurs when at least one member of the public body attends electronically (video or audio), even if most people attend in person.

- The public body must adopt resolution, rule, or ordinance governing the use of electronic meetings. **(52-4-207(2))**
- Notice requirements still apply.

- Not if all the members of the public body attend electronically **(52-4-207(5)(e))**

 - The body **MAY** provide the public an electronic attendance link **(52-4-207(4)(b))**
- Electronic meetings may be held without an anchor location (even if a body receives a request 12 hours in advance) if it presents a substantial risk to health or safety (COVID), but requires written determination by the chair of the public body.

Electronic Message Transmissions

The Open Public Meetings Act does not restrict members of a public body from transmitting an electronic message to other members of the public body when the body is **not** in an open meeting. (Still, avoid quorum discussion!)

Emergency Meetings

Due to unforeseen circumstances that must be articulable.

- An example might be a broken water line that cannot wait for the next scheduled meeting.
- Emergency!

Requires best notice practicable.

Cannot be held unless an attempt has been made to notify all members of the public body and a majority of the members approve the meeting.

Closed Meetings

- A public body can close a meeting under certain circumstances.
- 52-4-205 lists **all** the reasons for closing an open meeting.
- Process:
 - A quorum must be present at the open meeting.
 - A motion to close the meeting must be made, naming the specific statutory reason for closure.
 - Roll call vote must be taken. Two-thirds of the body must approve the closed meeting.

Reasons a Meeting May be Closed (52-4-205)

1. To discuss character, professional competence, or physical or mental health of an individual (doesn't require recording if the chair signs an affidavit after);
2. To discuss collective bargaining;
3. To discuss pending or reasonably imminent litigation;
4. To discuss the purchase, exchange, or lease of real property, if public discussion would disclose the appraisal value or prevent the transaction on the best possible terms;
5. To discuss the sale of property, if public discussion would disclose the appraisal value or prevent transaction on best possible terms as long as there's public notice of sale and terms are disclosed before the sale;
6. To discuss security personnel, devices, or systems (doesn't require recording if the chair signs an affidavit after);
7. To discuss investigative proceedings regarding allegations of criminal misconduct; and
8. A few other exceptions relating to loans, the Legislature, Higher Education, and the Utah Procurement Code.

Record of Closed Meetings

- In most cases, a recording shall be made, and written minutes may also be made. These are protected records under GRAMA.
- If the closed meeting is held to discuss character, competence, or physical or mental health of an individual, no recording is required.
 - Instead, the presiding member of the public body executes a sworn statement that the sole purpose of the closed meeting was to discuss these issues.
- **NO VOTES ARE TAKEN IN CLOSED MEETINGS**
(except an optional vote to end the closed meeting)

What is Forbidden During a Closed Meeting?

You may not:

- Approve an ordinance, resolution, rule, regulation, contract, or appointment.
- Take final action: Final votes must be open and on the record.

What Happens if Someone Violates OPMA?

A court can void any action in violation of the law:

- Sometimes a violation can be cured by discussing and taking a public vote in a subsequent meeting.
- May have to pay court costs and attorney fees.
- “In addition to any other penalty under this chapter, a member of a public body who intentionally violates or intentionally abets or advises in violation of the closed meeting provisions of this chapter is guilty of a class B misdemeanor.” (6 months in jail and/or \$1,000 fine)

- Must file suit to void final action within **90 days** of the action. (If the alleged violation involves bonds, notes, or other evidences of indebtedness, then **30 days**.)
