

Jordan River
Commission

Volunteer Projects and Events

October 2024-
March 2025

JORDAN RIVER
COMMISSION

Summary

Even though it's the slower season we still accomplished a lot!

- 5 #LoveYourWatershed #SecondSaturday events
- 4 canoe cleanups
- 5 vegetation projects
- 1 recreation event

351 volunteers removed 5292 lbs of trash, countless invasives removed from 7 hectares of land adjacent to the Jordan River, and planted 260 plants for bank stabilization!

Vegetation Projects

- 260 shrubs and trees were planted for in partnership with Hogle Zoo
- Countless tamarisk sprouts and thistle rosettes were removed from 3 hectares of land at the Jordan River Migratory Bird Refuge with The Utah Rural Electric Cooperative Association and Stillwater Academy
- 59 lbs of puncturevine was removed from Redwood Trailhead Park in partnership with Hogle Zoo

Blueprint principle #3: Restore riparian and in-stream habitats

Volunteer Impact

Canoe Cleanups

- 4 volunteer canoe cleanups
 - Swire Water
 - Wells Fargo
 - CHG Healthcare
 - MHTN Architects
- 46 volunteers donated 386 hours of their time
- 2090 lbs of trash removed from the river including 3 mattresses!

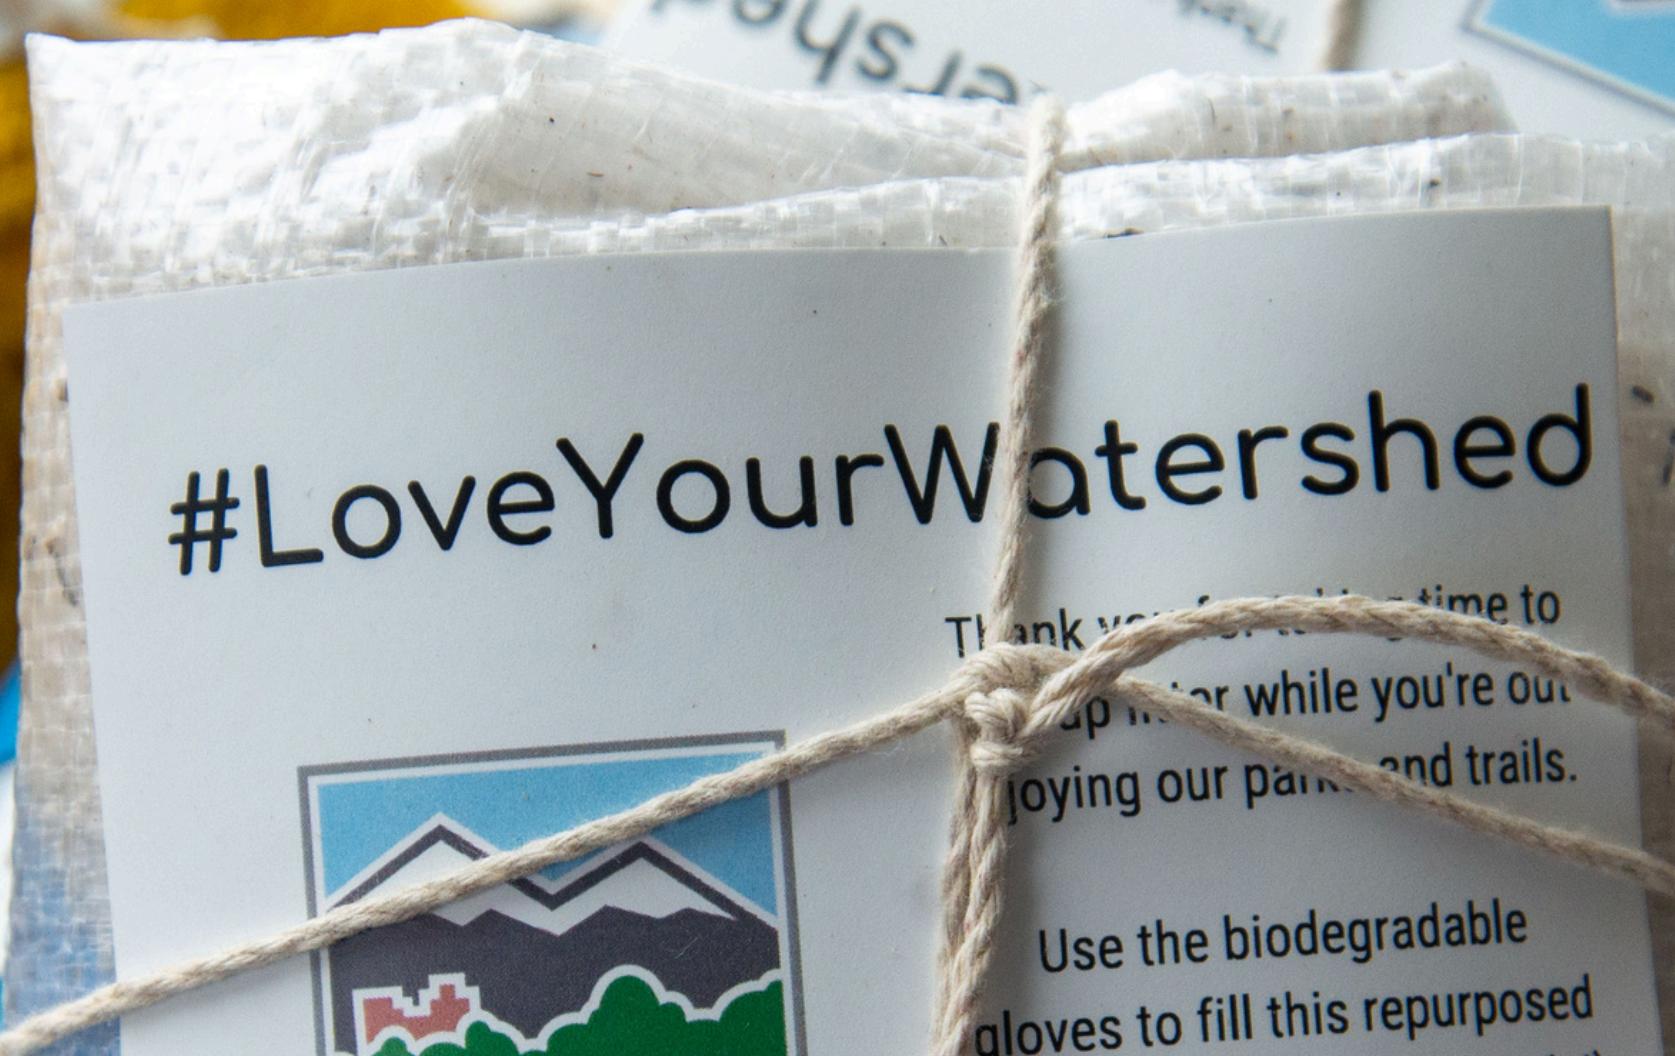

Blueprint principle #1: Preserve and rehabilitate natural river features and functions to the greatest extent possible
Hydrology goal #5: Control pollution to meet state standards

Second Saturdays

Blueprint principle #1: Preserve and rehabilitate natural river features and functions to the greatest extent possible
Hydrology goal #5: Control pollution to meet state standards

Volunteer Impact

October | 7200 S in Midvale
20 volunteers - 40 hours donated
100 lbs of trash
Partner - Hogle Zoo
