

Create Services

Create Services is a trio of public services dedicated to supporting the County Library's mission. Our range of services encompass Create Spaces, 3D Printing, and Create Kitchens:

- Within our **Create Spaces**, also known as makerspaces, patrons can access state-of-the-art facilities including audio/visual rooms.
- **Create Kitchens** are found at two of our newest locations, Kearns and Granite.
- **3D Printing Services** are available at all 18 branches, providing solutions to bring our patron's ideas to life.

Create Spaces

Create Space services may include:

- Audio and/or Visual Room
 - Microphones
 - Musical Instruments
 - Audio Software
 - Camera Equipment
- DIY Repair Stations
- 3D Printing
- Laser Cutter
- Virtual Reality & Robotics
- Textiles & Crafts
 - Sewing Machines, including Serger and Embroidery
 - Button Makers
 - Sublimation
 - Heat Presses
- Vinyl Cutter
- Workstations
 - Large Format Printing
 - Large Format Laminator
 - Adobe Creative Suite

Location

Create Spaces are located at Daybreak, Granite, Holladay, Kearns, Magna, and Sandy branches. Daybreak, Granite, and Kearns have the largest Create Spaces, offering an extensive range of services.

DIY Philosophy

Technically-trained library staff work in the Create Spaces. Our Create Spaces offer a do-it-yourself experience, promoting hands-on learning and exploration.

Fees

Some Create Space services have fees. The fees are to compensate for the use of consumable materials provided by the library.

Reservations

For patron advanced reservations a library card is required. Walk-in requests are accepted but depend on availability.

Number of reservations include patron, staff and event reservations of Create Space services.
